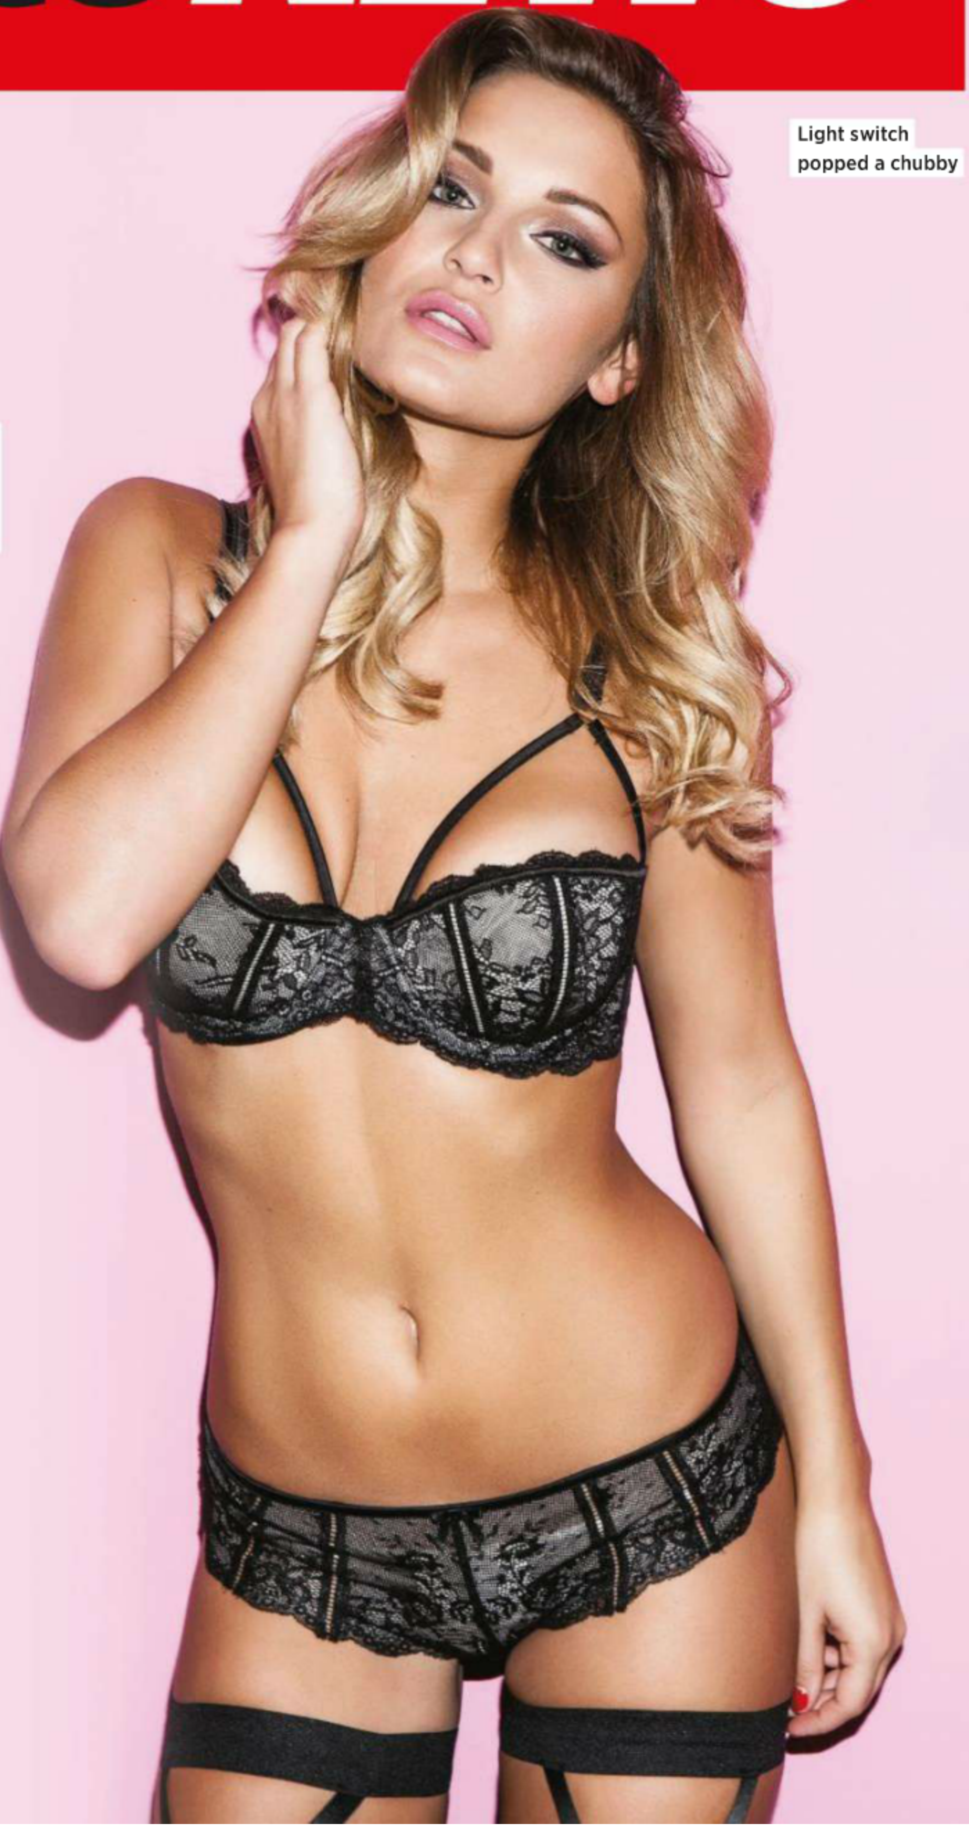
EXCLUSIVE!

It's Sam Faiers!

The reality TV star's coming to a reality TV show near you!

➔ **SO, *CELEBRITY*** *Big* Brother's kicking off again, this week. And lookie! Here are some exclusive, saucy new pics of that nice Sam Faiers. The two may not necessarily be unrelated.

That's because the *CBB* fairy has given us the nod that Sam may be skipping the *Big Brother* catwalk on Friday to enter the house alongside an arbitrary bunch of random Hollywoods, cable TV no-marks and someone from *Loose Women*. Always someone from sodding *Loose Women*. Over the page! The wisdom of Sam... ►



Light switch popped a chubby

SAM IN *TOWIE*!

Boutique owner Sam's been a *TOWIE* regular since the show began in October 2010.

"Don't mind me – I'm just being reflective"

This way for a chat with Sam and pics!

Her presence made wall forget all about its chickenpox

Channel 4's new interior design expert was a big hit

"All my boyfriends have loved my curves. I do too!"

The hotel was nice enough, but lacked the basics

Sam on... Her curves!

"I have natural curves so I'll never be stick-thin, but when getting photographed, I'd rather look good!"

Her celeb idol!

"Rosie Huntington-Whiteley. I once tweeted her and she followed me – I was starstruck!"

Boob jobs!

"I've not got massive boobs, so I'd get a boob job – but not until I've had the four kids I want! I wouldn't go huge – I'd probably stay a D-cup, but firmer!"

Her time in *TOWIE*!

"The doors it's opened, the people we've met, the fun we've had, the fans... I'd just never, ever regret being on *TOWIE*."

The Essex look!

"We pile the make-up on for the show – if we didn't have loads of lashes and gloss, it wouldn't be *TOWIE*. It's glam!"

Her mum!

"I'm starting to think men fancy my mum more than me. She looks incredible for her age."

Her BFFs!

"I don't care whether a boyfriend likes it or not, I'm not going to push my girls to one side."

Keeping trim!

"I might lose a few pounds before I go on holiday to look good in a bikini, but all my boyfriends have loved my curves so I wouldn't want to be skinny. I like my curves and would hate to lose my boobs if I lost weight!"

● Celebrity Big Brother starts on Channel 5, Friday 3 January at 9pm

WORDS: RORY BUCKERIDGE

"Madam, can I push you towards a decision? Other customers are waiting..."

Alley-oop!

Buffalo punts lion like he's Jonny Wilkinson!

IT LOOKED like curtains for this wee buffalo calf in Kruger National Park, South Africa, as two immature lions stalked what they hoped would be dinner, before piling in. That is, until a full-sized buffalo bull bowled up, and with one swift horn, flipped one of the lions a full 15ft into the air. The lucky lion legged it, blubbing like a toddler. The bull, presumably, returned to the herd to have victory sex with every lady buffalo there!

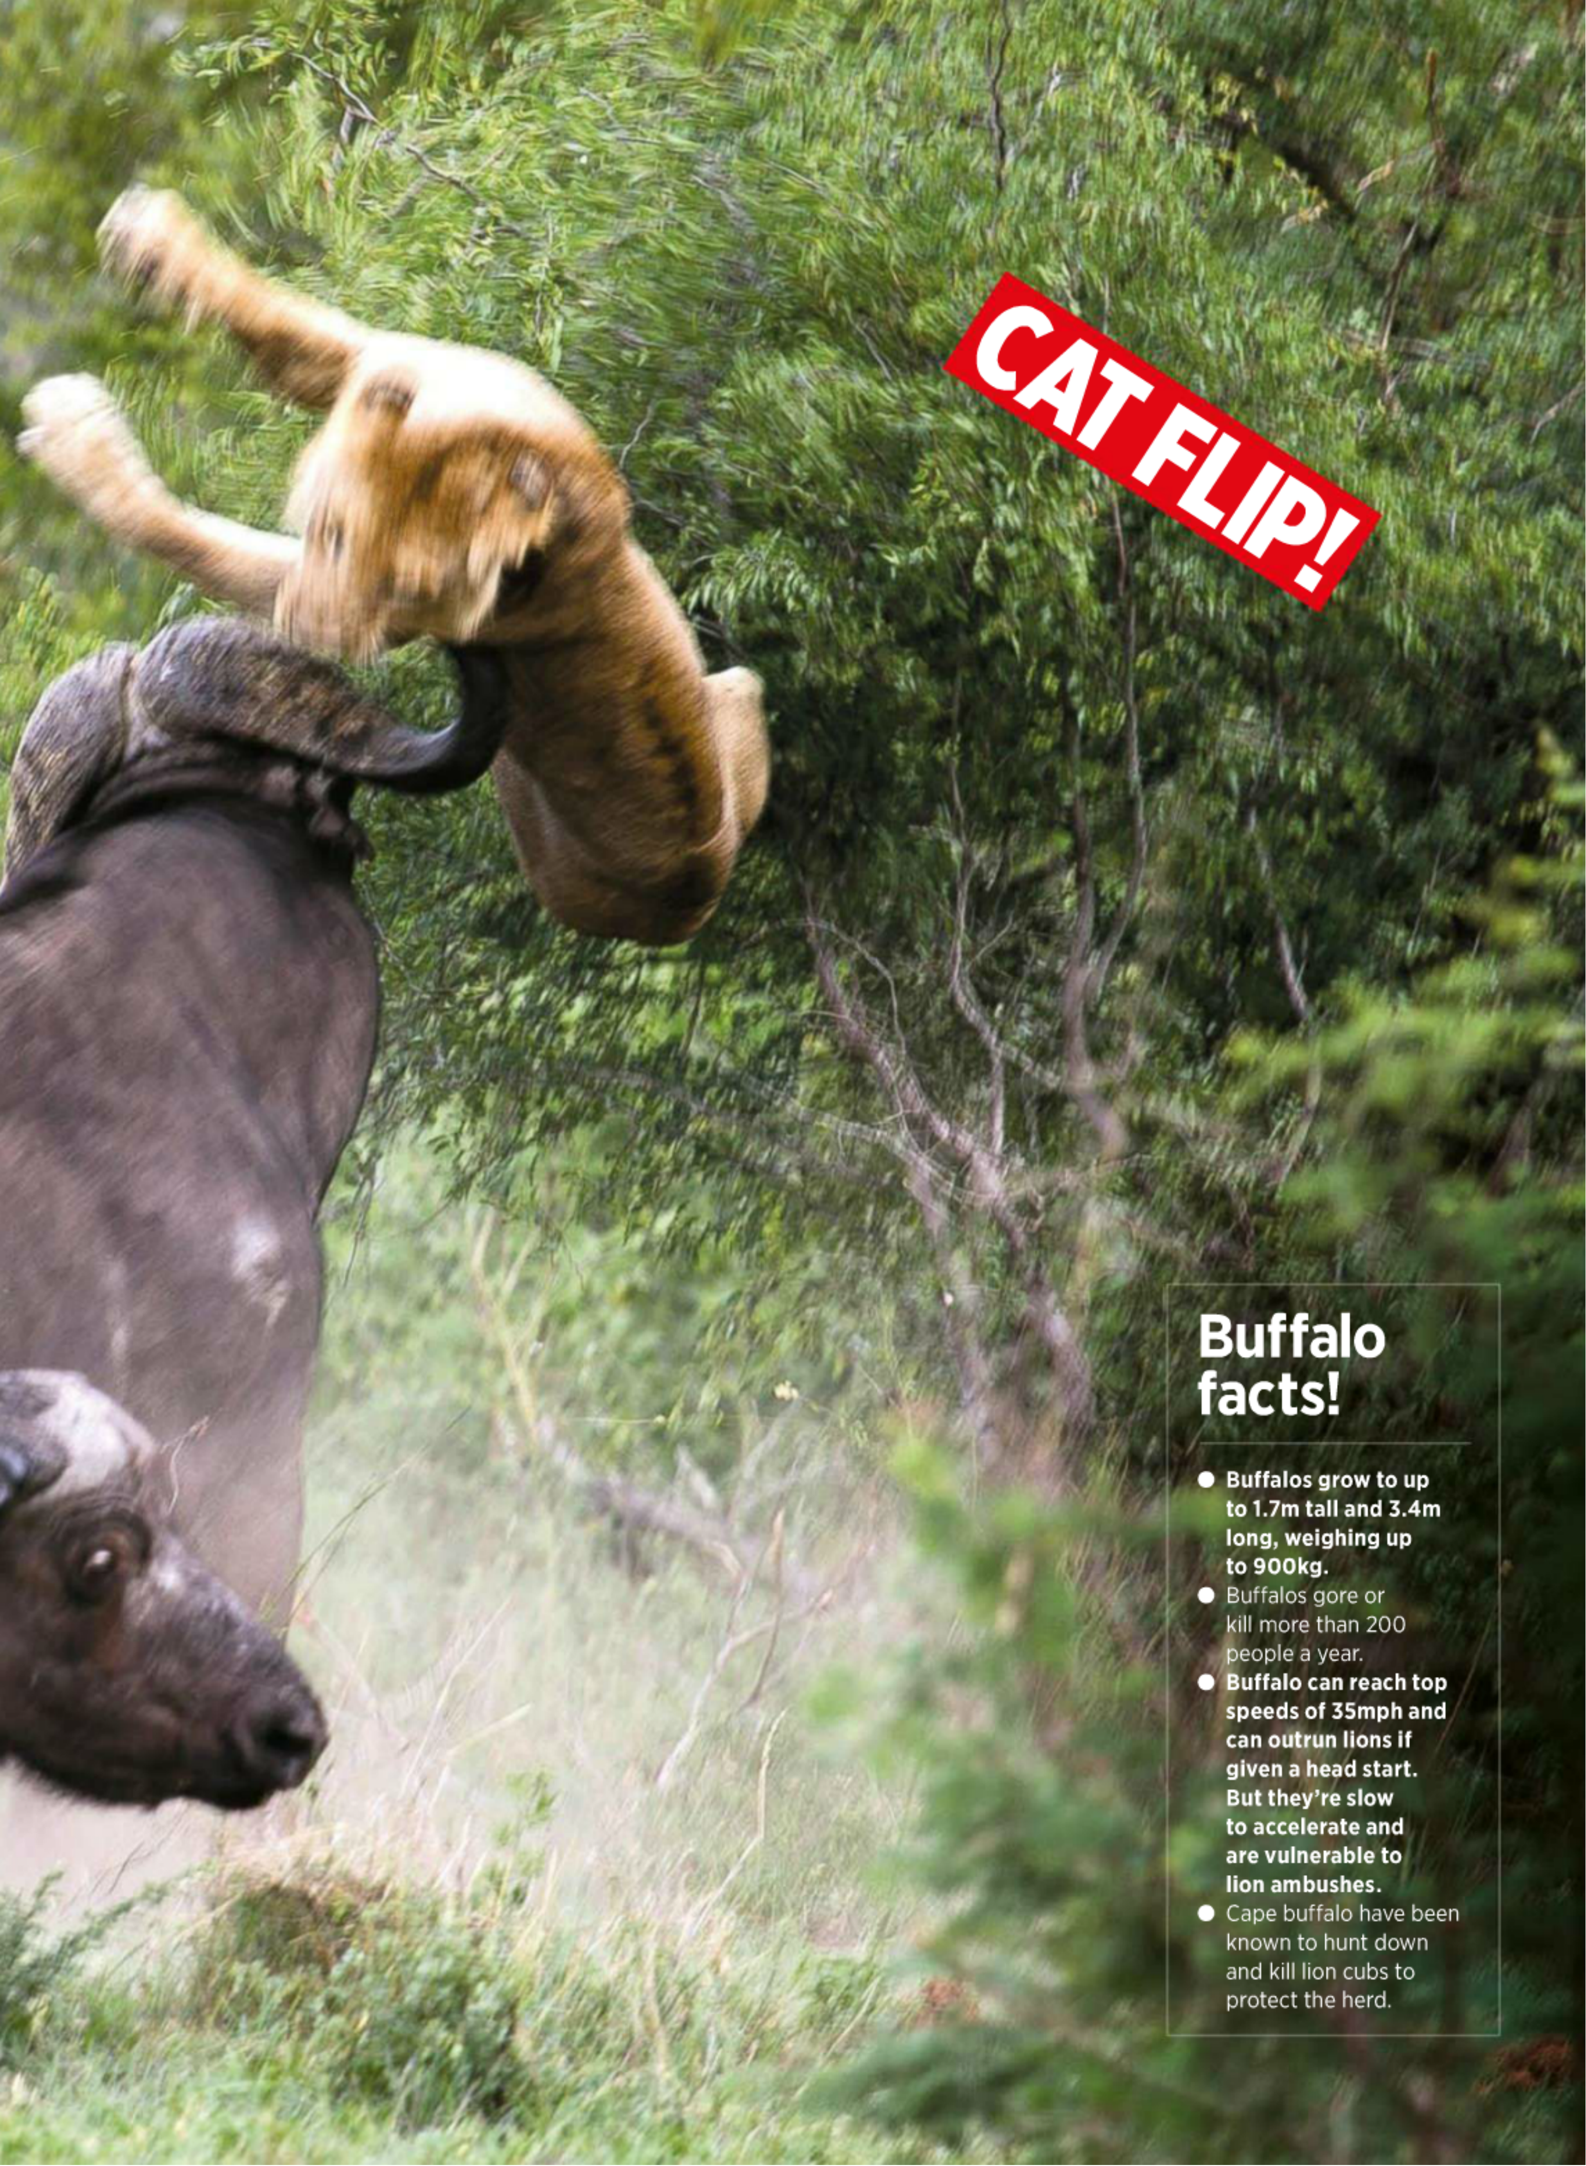
"I can see my house from here!"

Buffalo's first kiss was going great guns. Then...

CAT FLIP!



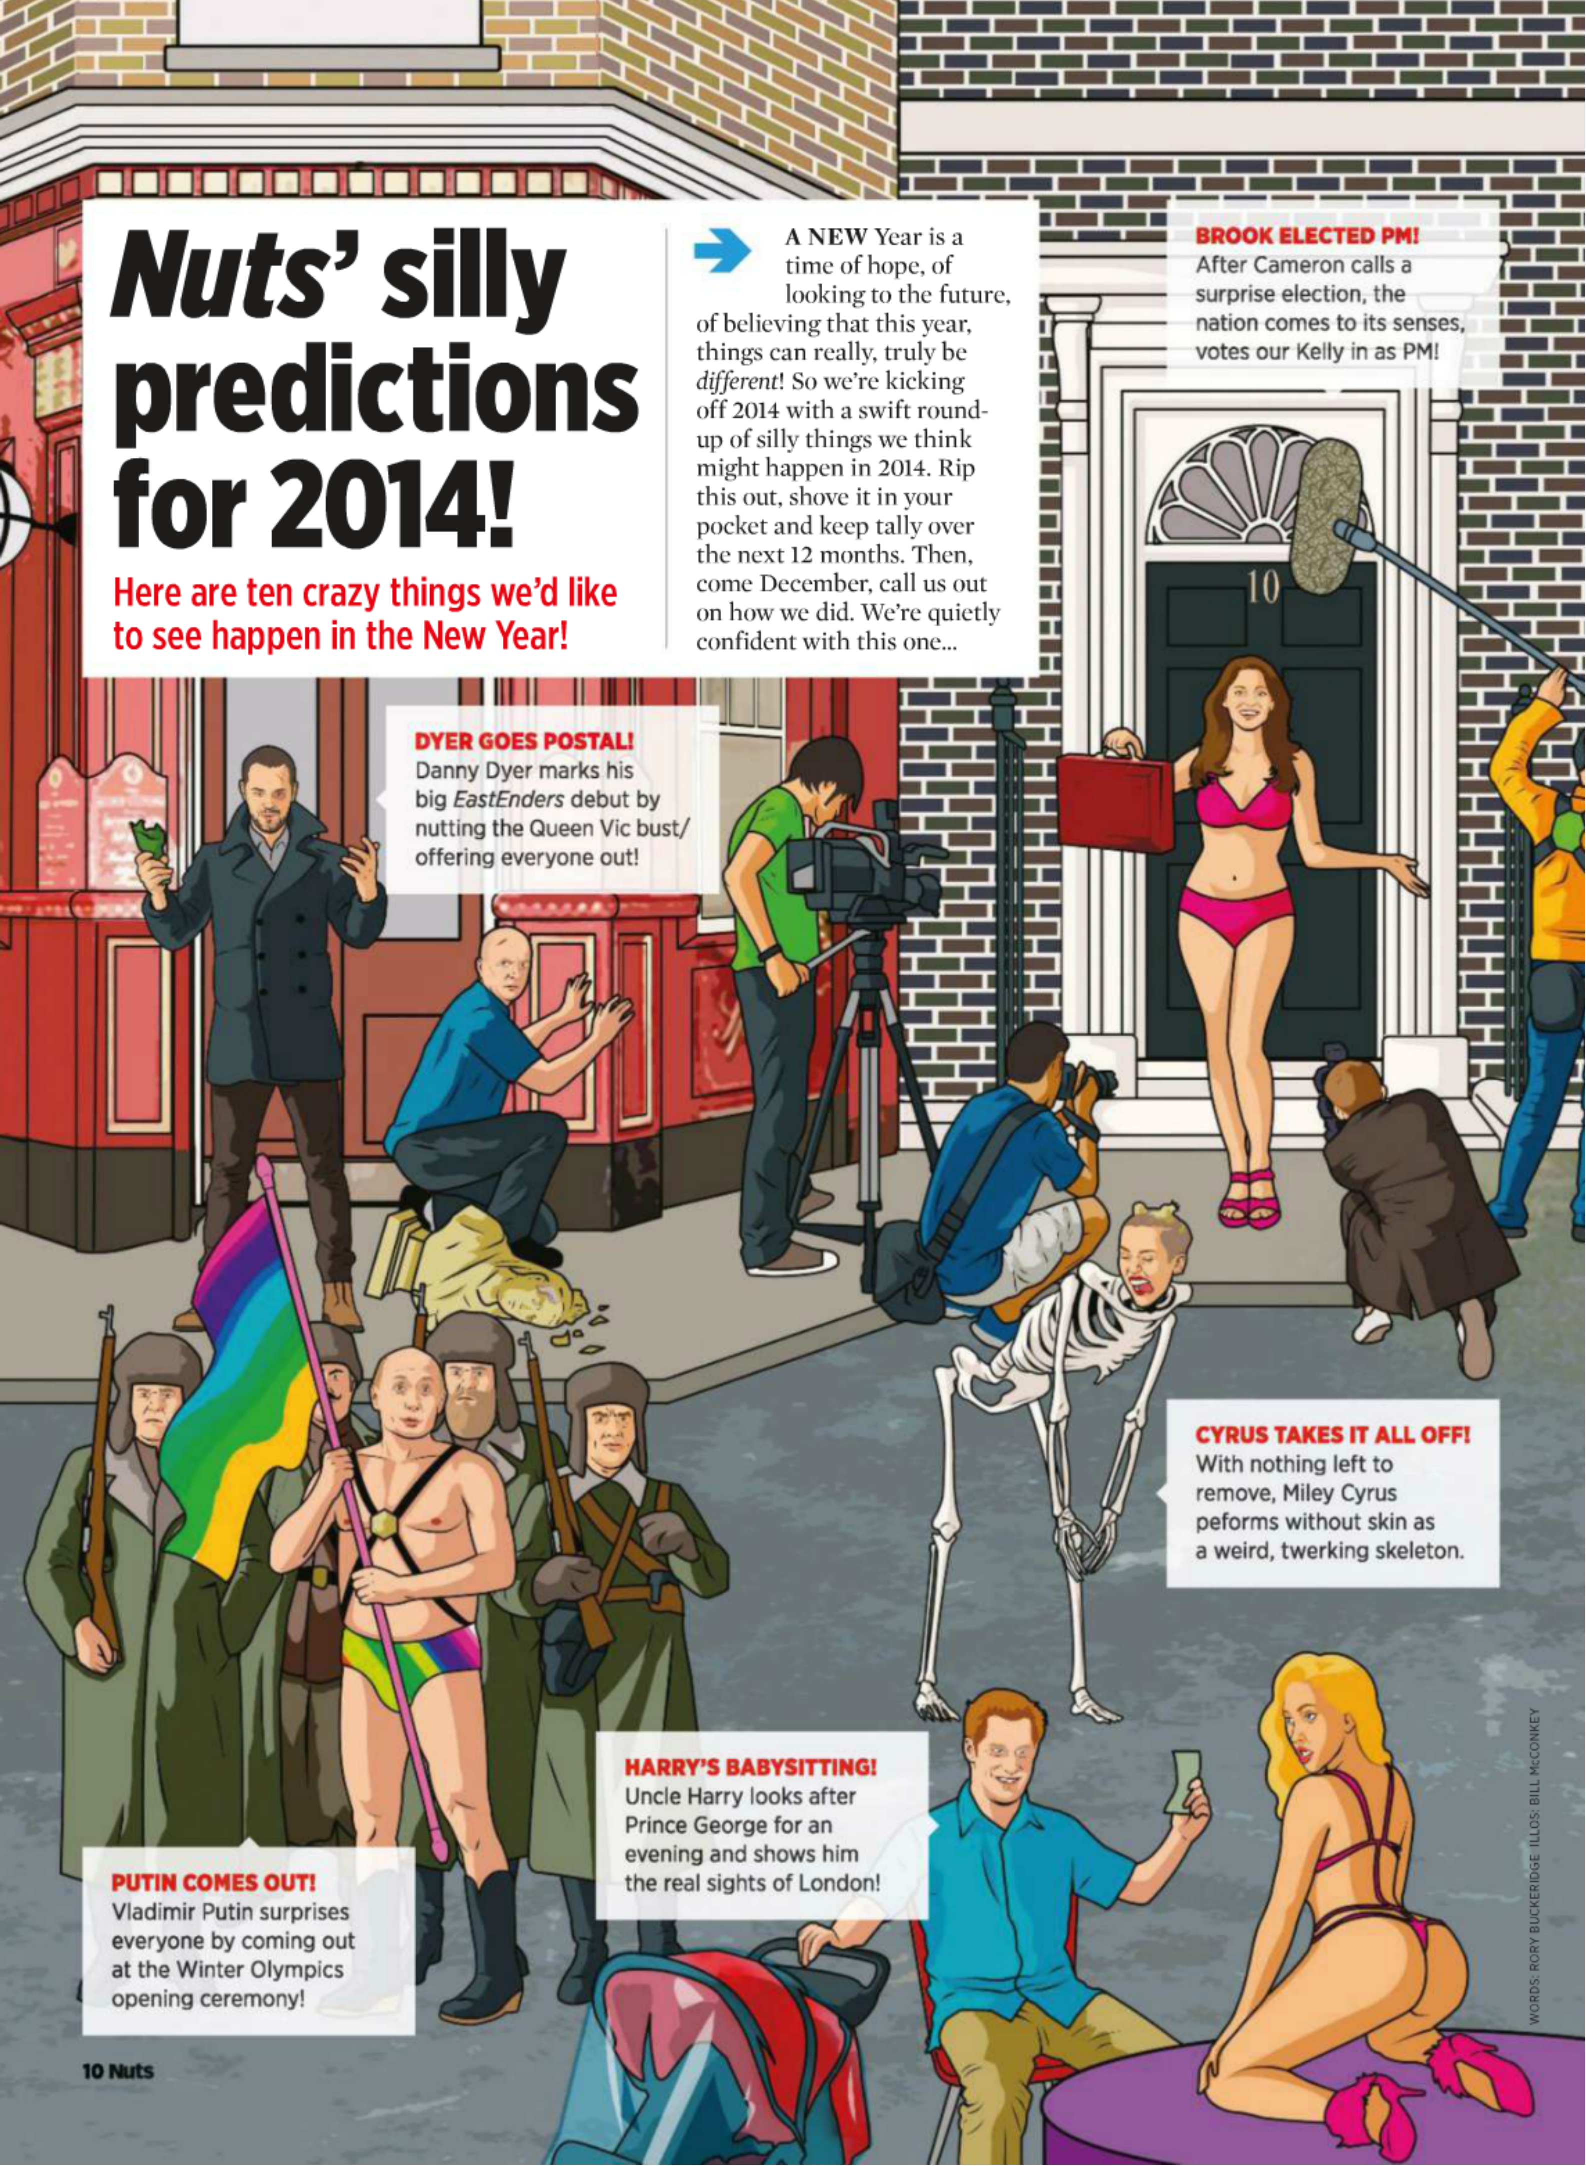
Buffalo facts!

- **Buffalos grow to up to 1.7m tall and 3.4m long, weighing up to 900kg.**
- Buffalos gore or kill more than 200 people a year.
- **Buffalo can reach top speeds of 35mph and can outrun lions if given a head start. But they're slow to accelerate and are vulnerable to lion ambushes.**
- Cape buffalo have been known to hunt down and kill lion cubs to protect the herd.

Nuts' silly predictions for 2014!

Here are ten crazy things we'd like to see happen in the New Year!

A NEW Year is a time of hope, of looking to the future, of believing that this year, things can really, truly be *different*! So we're kicking off 2014 with a swift round-up of silly things we think might happen in 2014. Rip this out, shove it in your pocket and keep tally over the next 12 months. Then, come December, call us out on how we did. We're quietly confident with this one...



BROOK ELECTED PM!
After Cameron calls a surprise election, the nation comes to its senses, votes our Kelly in as PM!

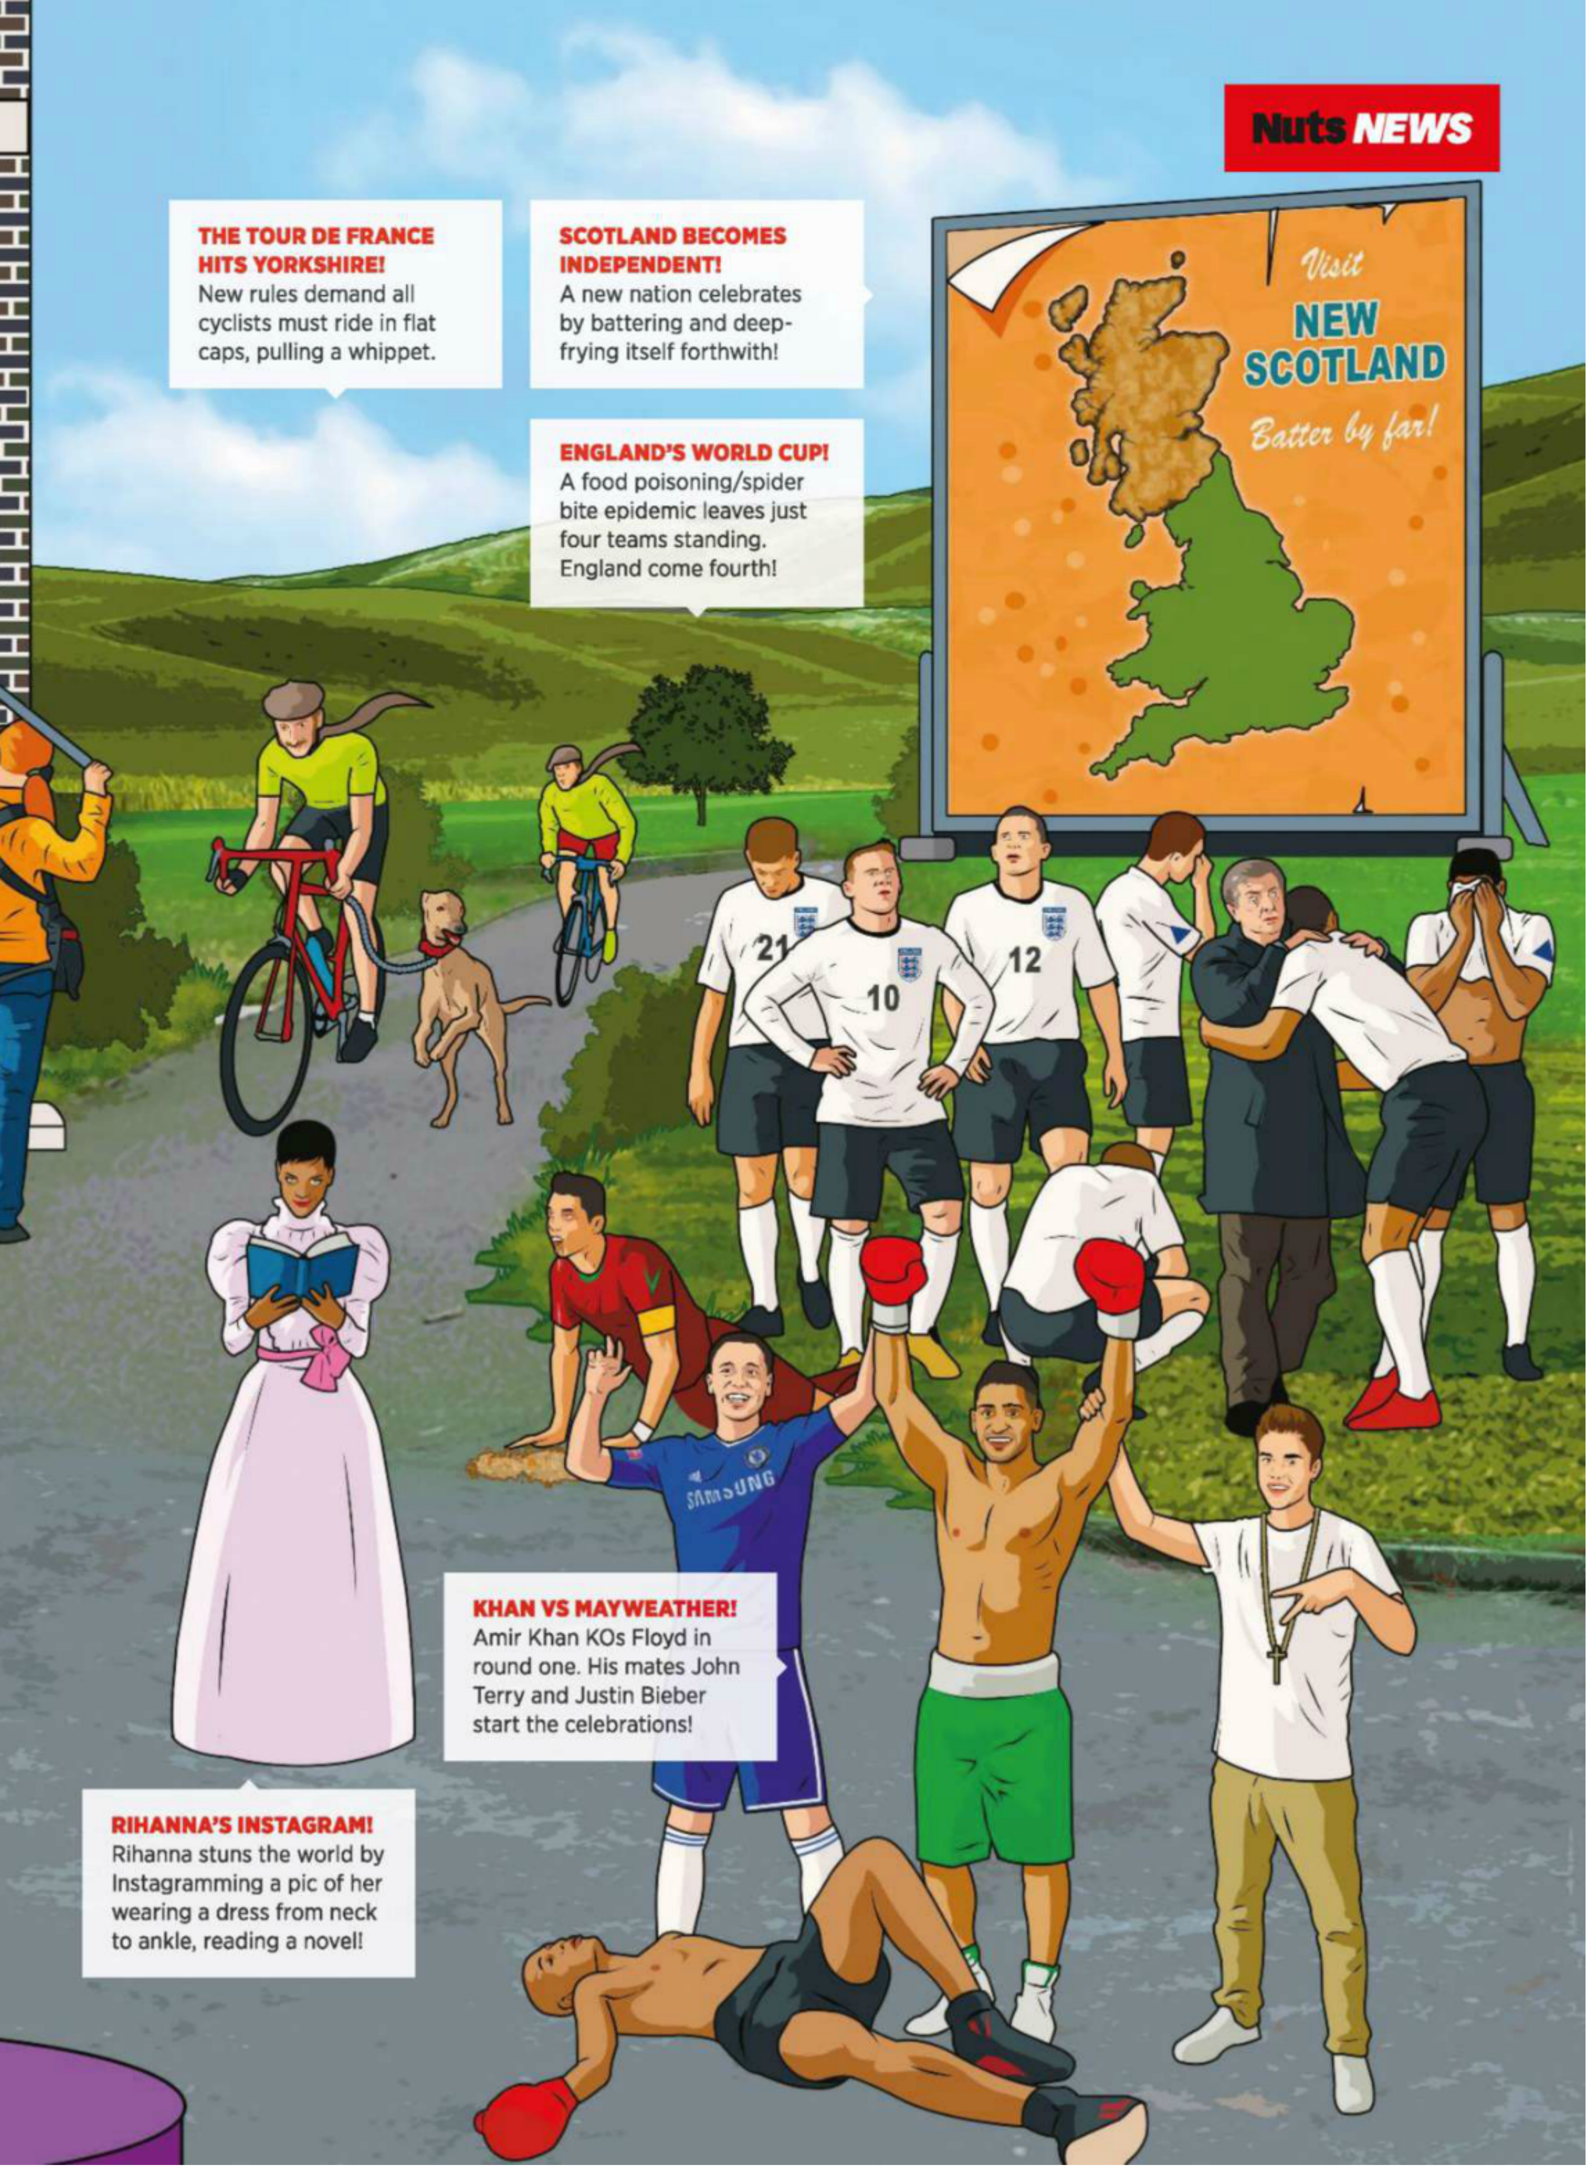
DYER GOES POSTAL!
Danny Dyer marks his big *EastEnders* debut by nutting the Queen Vic bust/ offering everyone out!

CYRUS TAKES IT ALL OFF!
With nothing left to remove, Miley Cyrus peforms without skin as a weird, twerking skeleton.

HARRY'S BABYSITTING!
Uncle Harry looks after Prince George for an evening and shows him the real sights of London!

PUTIN COMES OUT!
Vladimir Putin surprises everyone by coming out at the Winter Olympics opening ceremony!

WORDS: RORY BUCKERIDGE ILLOS: BILL McCONKEY



THE TOUR DE FRANCE HITS YORKSHIRE!
New rules demand all cyclists must ride in flat caps, pulling a whippet.

SCOTLAND BECOMES INDEPENDENT!
A new nation celebrates by battering and deep-frying itself forthwith!

ENGLAND'S WORLD CUP!
A food poisoning/spider bite epidemic leaves just four teams standing. England come fourth!

KHAN VS MAYWEATHER!
Amir Khan KOs Floyd in round one. His mates John Terry and Justin Bieber start the celebrations!

RIHANNA'S INSTAGRAM!
Rihanna stuns the world by Instagramming a pic of her wearing a dress from neck to ankle, reading a novel!

Lambo's new Huracán!

Meet the next Gallardo! The Huracán LP610-4 is a 610bhp, 202mph thing of silliness!

- **New V10 Lambos only come round once every ten years or so, so this is a biggie for the chaps at Sant'Agata Bolognese, Italy. And this, the Huracán LP610-4 has got some act to follow.**
- The Gallardo was Lambo's most successful car of all time. With 14,022 bespoke cars rolled out of the factory.
- **We'll go over the raw numbers first. The LP610-4 in the name, as with all Lambos, describes the powertrain: a 610bhp, 4WD V10 monster. A 5.2-litre powerplant, it'll guff out 610hp at 8,250rpm, with max torques of 560Nm at 6,500rpm. The Stig is going to like this. A lot.**

WORDS: RORY BUCKERIDGE

Car really needed some new glasses

Cardiff's owner loved it, but it needed a respray

- This power is channelled through a seven-speed dual-clutch transmission much like the one that sits inches from the ground in Audi's R8. So? 0 to 62mph in 3.2 seconds and a top speed of over 202mph.
- **Keeping this ruffian on the track is actually a pretty conventional carbon and aluminium hybrid chassis, which you'll able to tweak with three set ups available on the steering wheel – Strada (silly), Sport (crazy) and Corsa (full Stig).**
- And the look, while very Lambo, is still fresh, angular and exacting, with one defining line running from nose to tail, and a very Aston-like lift to the rear spoiler.
- **While the Huracán will be officially unveiled at the Geneva Motor Show in March, it's being introduced to potential owners over 130 private preview events in 60 countries worldwide, when the price will be announced. But don't expect much change from £140k. Not got your invite? Us neither.**

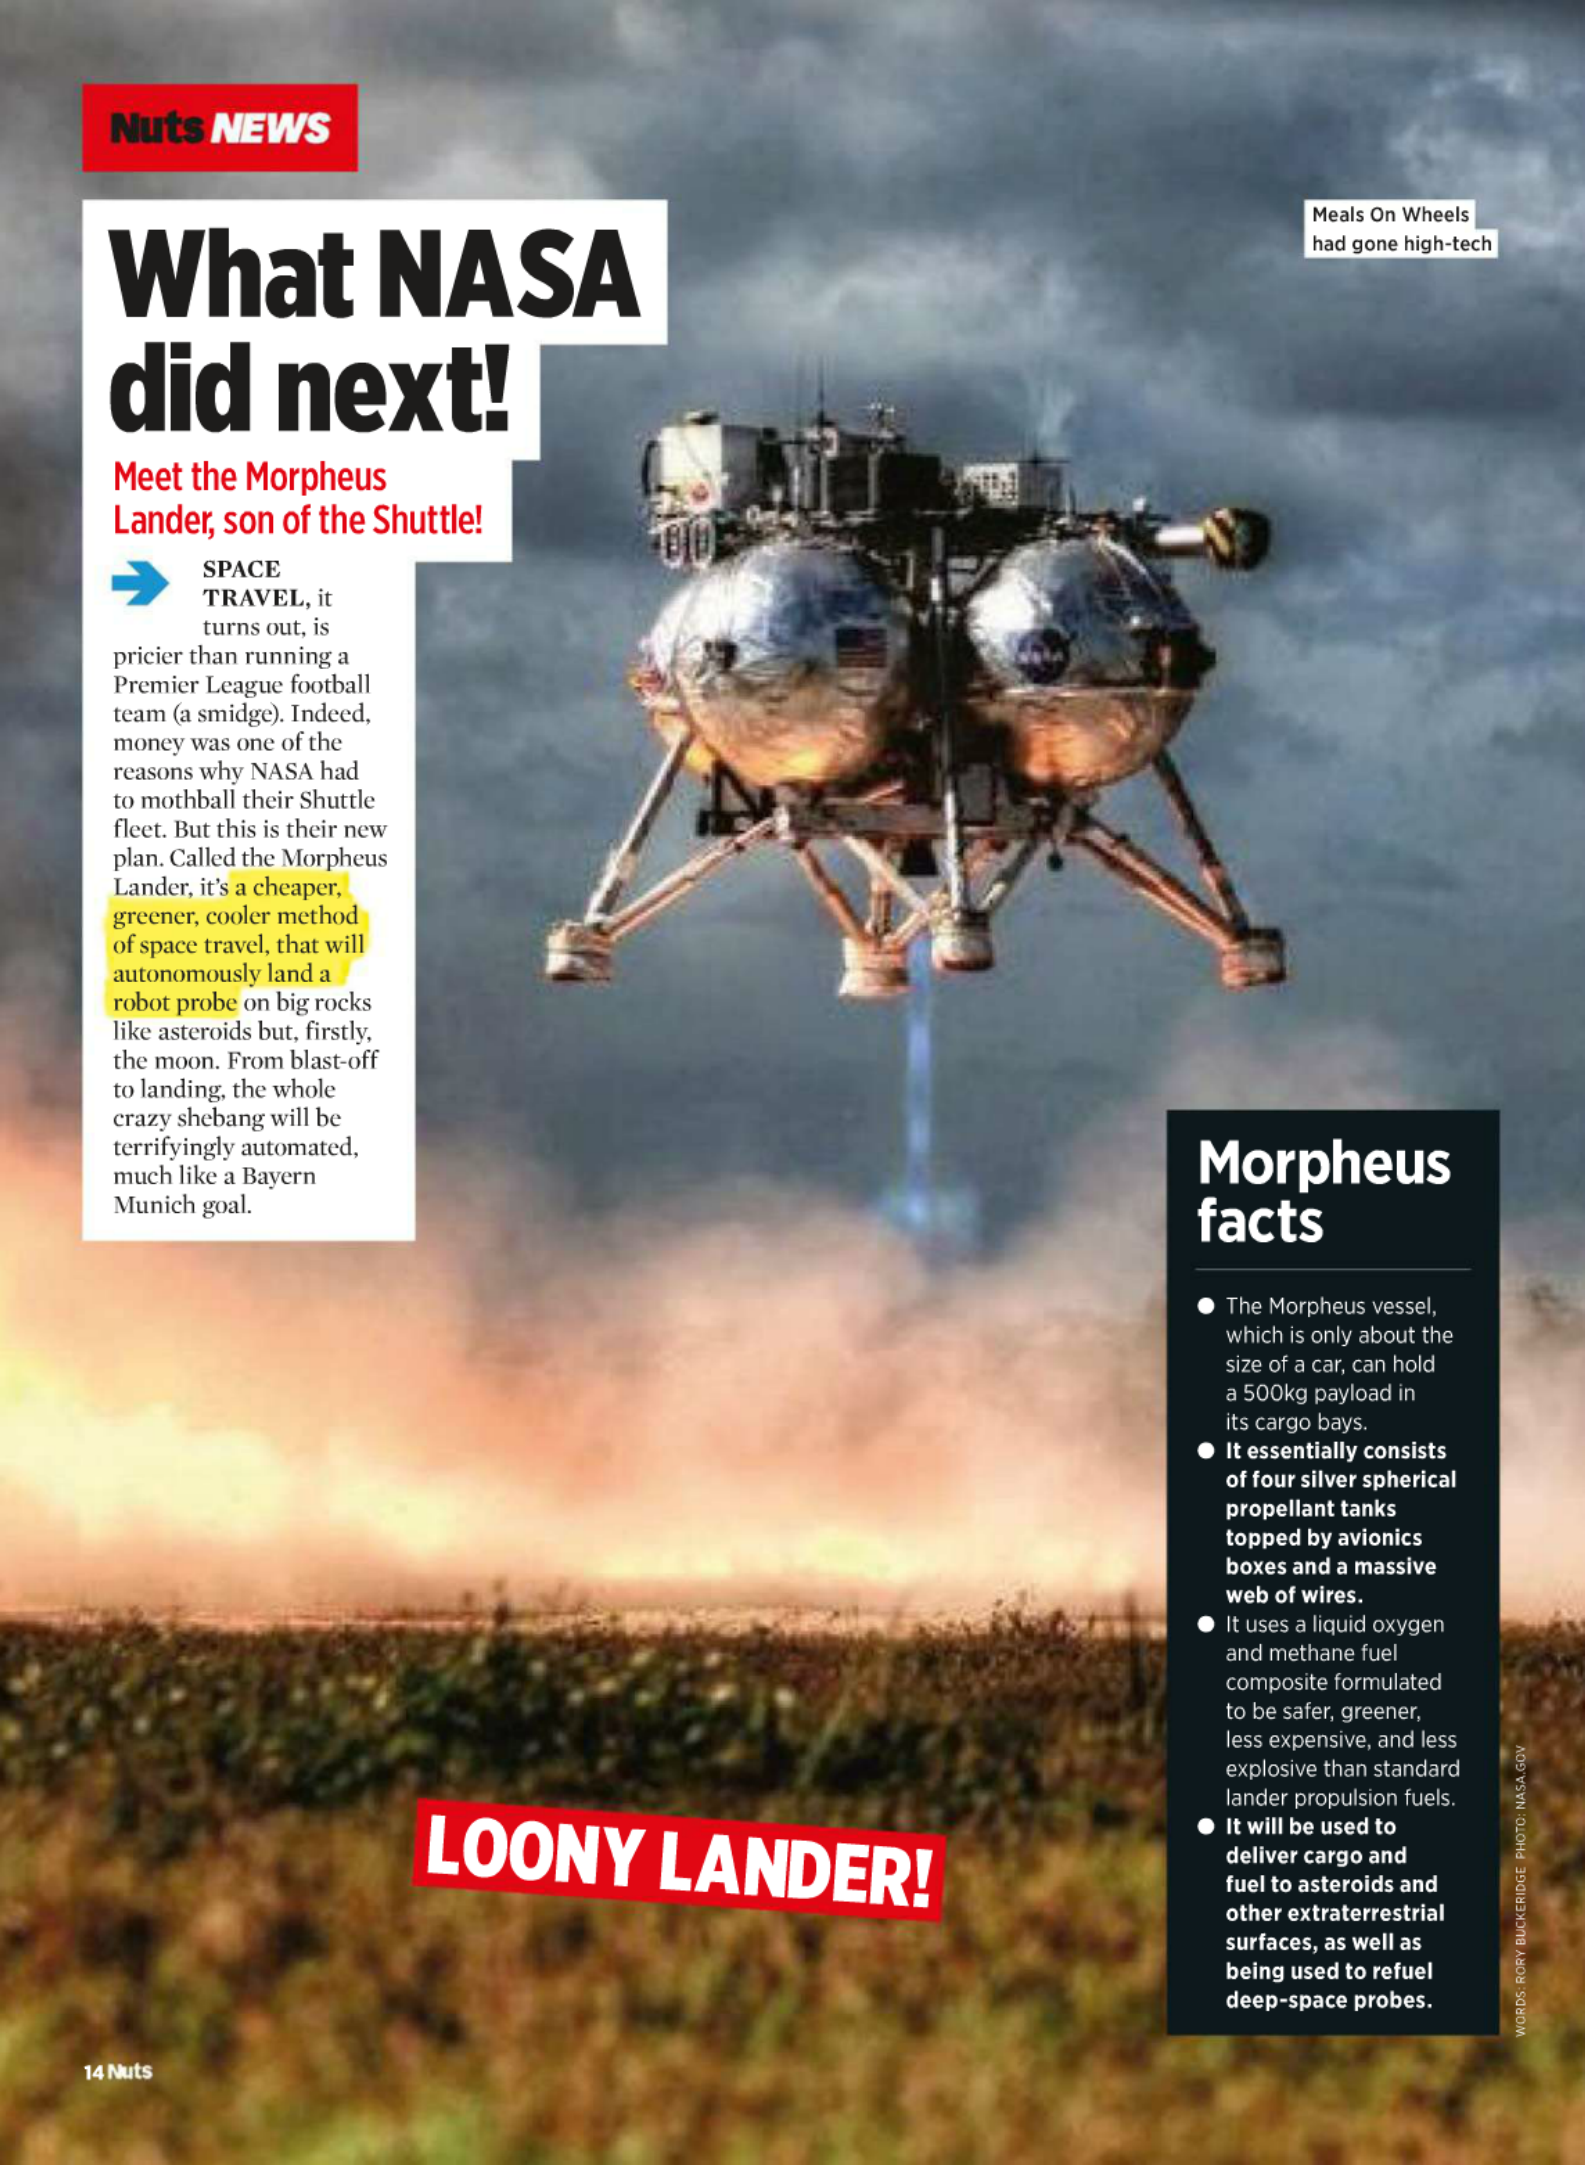
iPad was going to love his new home

He had to come to terms with the fact he'd never, ever reach 6ft

What NASA did next!

Meet the Morpheus Lander, son of the Shuttle!

SPACE TRAVEL, it turns out, is pricier than running a Premier League football team (a smidge). Indeed, money was one of the reasons why NASA had to mothball their Shuttle fleet. But this is their new plan. Called the Morpheus Lander, it's a cheaper, greener, cooler method of space travel, that will autonomously land a robot probe on big rocks like asteroids but, firstly, the moon. From blast-off to landing, the whole crazy shebang will be terrifyingly automated, much like a Bayern Munich goal.



Meals On Wheels had gone high-tech

LOONY LANDER!

Morpheus facts

- The Morpheus vessel, which is only about the size of a car, can hold a 500kg payload in its cargo bays.
- **It essentially consists of four silver spherical propellant tanks topped by avionics boxes and a massive web of wires.**
- It uses a liquid oxygen and methane fuel composite formulated to be safer, greener, less expensive, and less explosive than standard lander propulsion fuels.
- **It will be used to deliver cargo and fuel to asteroids and other extraterrestrial surfaces, as well as being used to refuel deep-space probes.**

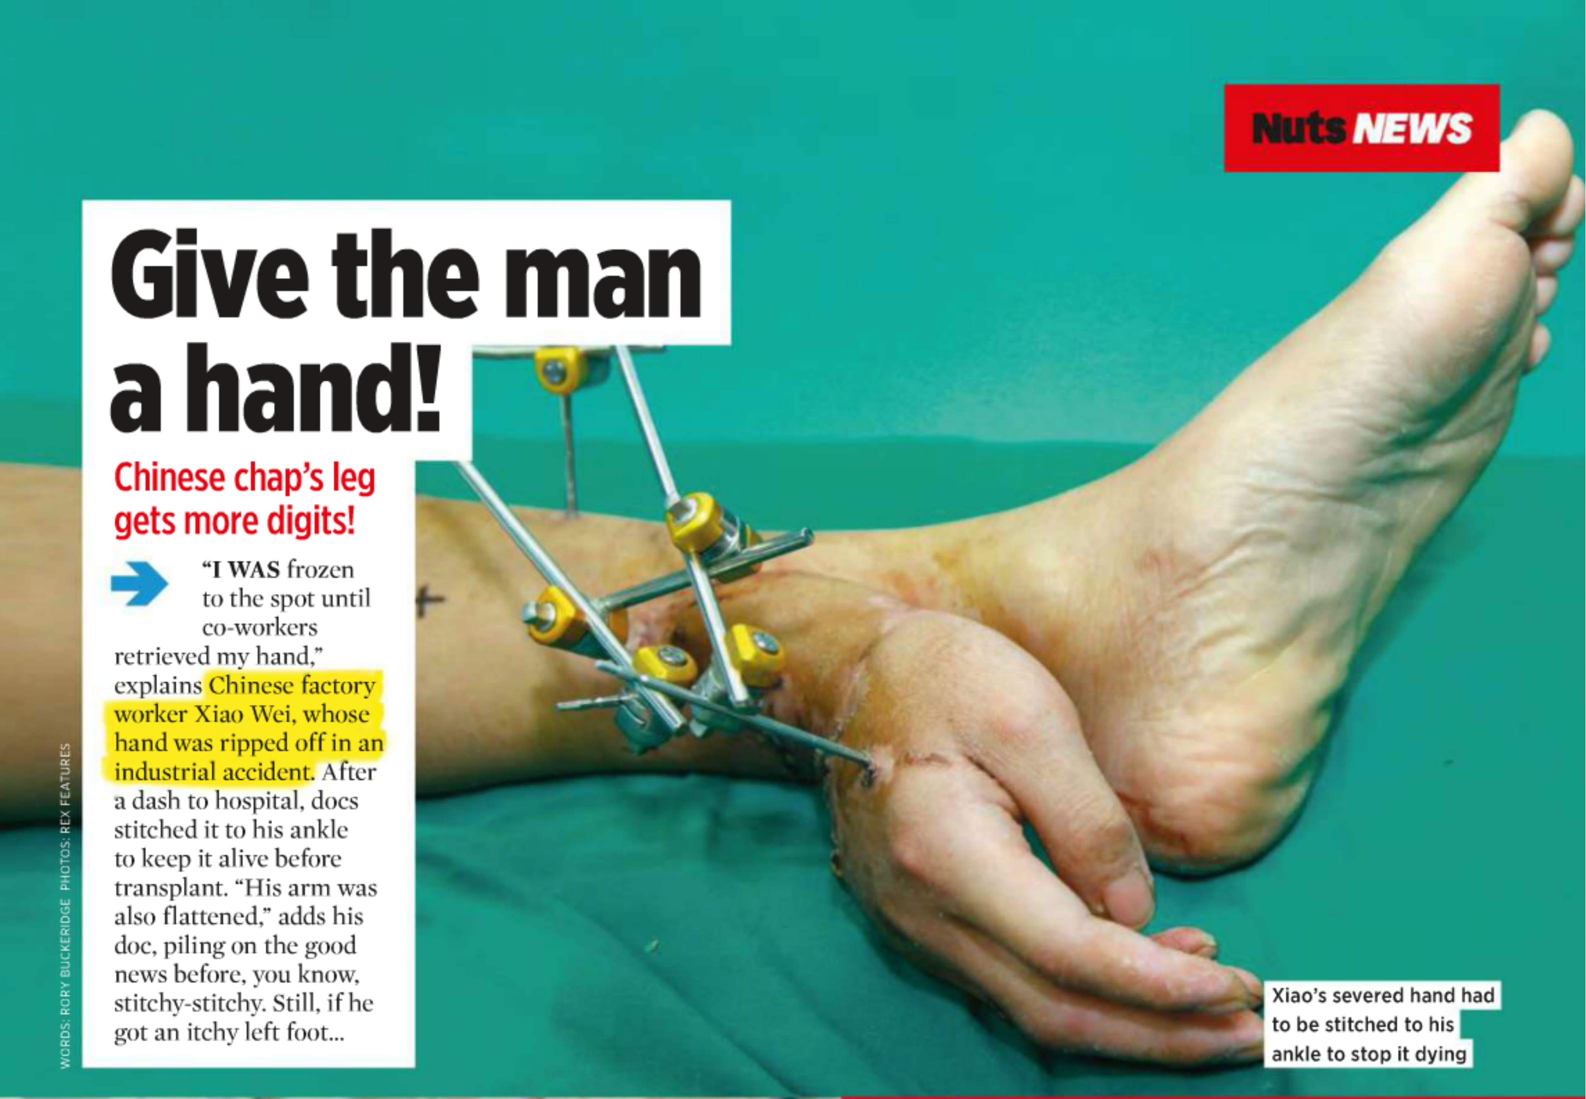
Give the man a hand!

Chinese chap's leg gets more digits!



"I WAS frozen to the spot until co-workers retrieved my hand," explains Chinese factory worker Xiao Wei, whose hand was ripped off in an industrial accident. After a dash to hospital, docs stitched it to his ankle to keep it alive before transplant. "His arm was also flattened," adds his doc, piling on the good news before, you know, stitchy-stitchy. Still, if he got an itchy left foot...

10 reasons why every man must see *Elysium!*

You're a bloke. This sci-fi epic was made for you!

1 IT LOOKS AMAZING!

With its brilliantly realised vision of a dystopian future, *Blade Runner* fans will love *Elysium*! Set in 2154, the rich live on a luxury space station while the rest rot on a ruined Earth...

2 IT'S GOT PROPER PEDIGREE!

***Elysium*'s writer/director is Neill Blomkamp – the man behind the brilliantly inventive sci-fi thriller *District 9* – a *Nuts* favourite! He reckons, "*Elysium* isn't science fiction, it's now!"**

3 MAX IS A KICK-ASS HERO!

Matt Damon told *Nuts*: "Max has to bolt this exoskeleton into his nervous system, then hijack someone... it just keeps getting worse and worse!"

4 IT'S GOT AN EVIL BADDIE!

Sharlto Copley played man turned 'prawn' Wikus in *District 9* and does a complete 180 here as the muscle-bound and martial arts mental assassin Kruger!

5 BONKERS CAR CHASE!

Max pulls a heist driving a Nissan GTR concept car which was future pimped for a thrilling sequence shot at the world's second largest landfill dump.

6 IT'S GOT INSANE WEAPONS!

Max gets a modified AK-47 that uses airburst rounds. He can laser the target, take the distance and encode the bullet to explode which works a treat on a legion of military robots. Bang on!

7 IT'S GOT EXPLOSIONS!

WETA built a photo real dummy of the character "Sandro" rigged to explode in literally gut-wrenching style! They used a steel skeleton inside a live cast stuffed with mortars, small explosives and condoms filled with fake blood!

8 AWESOME SPECIAL EFFECTS!

A whopping amount was spent so you'll believe that a massive spinning doughnut of a space station is home to thousands of people orbiting earth and that tech exists to regenerate severed limbs and exploded heads!

9 IT'S FRIGHTENINGLY REALISTIC!

Matt Damon's super-powered cyborg-like transformation is both stunning and scarily real! But then it should be – it was developed by the same award-winning special effects wizards who worked on the *Lord Of The Rings* trilogy!

A quick word with Harry Hill!

On movie nudity, sausages and collecting *Nuts*!

Hi Harry! *The Harry Hill Movie* is out. Are you aware of this?
I've seen a lot of posters. In the last week, I've become aware it's happening.

What's it all about then?
I live with my nan, played by Julie Walters, with our hamster, who's given a week to live by the vet, played by Simon Bird. The vet's being controlled by my evil twin brother, Otto, played by Matt Lucas. He was brought up by Alsatians. He's out to create Hamsterville, a hamster world, and he wants my hamster for that purpose. Along the way, we meet [indie band] the Magic Numbers, who run a B&B. There's a big carwash song. I have a boxing match with a seven-foot giant. We meet the shell people. Sheridan Smith plays my shell girlfriend – she's covered in shells and lives under the sea. And we head to Blackpool where the denouement takes place on top of tower, with me and Matt Lucas slugging it out.

Phew! Did you audition any other baldies for the role of your half brother?
Well, [famous bald Olympic swimmer] Duncan Goodhew wasn't available. And the Mitchell Brothers [from *EastEnders*] didn't answer my calls.

Is the film as hectic as you?
Yes. It's almost like a flick-book that someone has shuffled up with a million things. It's about 85 minutes long but it feels like 40.

Why's your film not in 3D?
Well, the story's very two dimensional so we thought it would be stretching things. It's actually in Harryvision. We're going to be supplying Harry Hill glasses to everybody who comes to the cinema.

What would happen in *The Harry Hill Movie 2: This Time It's Personal*?
We'd go into outer space. It would be a British version of *Gravity*. This film's very much like a British version of *The Hobbit*, with me as Gollum.

Is there any nudity?
Sadly, there isn't any nudity. We had to cut out all the nude scenes because we wanted a PG certificate.

Have you got your ticket for the *X Factor* musical you wrote yet? It's practically sold out!
I get a free ticket. I can waltz in and out when I want.

Do you get free ice creams at the half-time interval too?
No, it isn't included. That was very nearly a deal breaker.

Will you still go every night if it means you have to sit next to Simon Cowell?
I've asked for a spare seat so I have somewhere to leave my coat and hat.

What happened to the massive sausage that flew into the audience on your Sausage Time tour? Is it in your house?
I've put it into one of those 24-hour self-storage units. It's a bit like Area 51 in Nevada where they kept the aliens. Except instead of aliens, I've got a giant sausage.

Does Mrs Hill think you should get a proper job?
She'd rather I was a dental technician. Better hours.

On *TV Burp* you used to file your issues of *Nuts* in a special briefcase...
I've still got that briefcase.

Now *Nuts* is nearly ten years old, do you need a new briefcase to fit them all in?
No, it's fine. I just tear out the pages I want to keep.

Thanks, Harry! We like *The Harry Hill Movie* but we also like *Alan Partridge: Alpha Papa*. But which is best?
Well, there's only one way to find out...

- *The Harry Hill Movie* is in cinemas now.

He was the Wild West's smartest gunslinger

In a few years, the Mods would be extinct

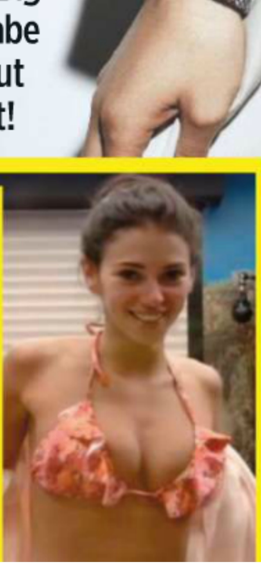
Georgia Salpa!

The *Celeb Big Brother* babe in her debut *Nuts* shoot!

GEORGIA ON *CCB*!

Georgia appeared in *Celebrity Big Brother* in 2012. She spent 14 days in the house.



“I’d love to do a shoot with Rosie Jones!”

Hey Georgia! How did you enjoy your first ever *Nuts* shoot?
It was really good, thanks! I can't believe it's my first one. Very exciting. It's been nice to get involved with some sexy lingerie and do some shots in these little black numbers.

Have you always been a fan of *Nuts*?
Yes, I really like the magazine because all the girls always look really hot. As you can imagine, I was excited to be joining them. I love Rosie Jones – I've worked with her a few times before and she's really nice. She always looks great in magazines – I'd say she's my favourite.

Lets hope you and Rosie can blow us all away with a shoot together one day!
Yeah, that would be very cool – the ultimate girl-next-door shoot. It'd be awesome. Ha-ha!

Last year, we saw you team up with Helen Flanagan and Rhian Sugden to form some sort of insanely hot panel [for a talent show called *Is This Talent?* held in Bolton]...
Yeah, it was really good fun! We just had to to sit and watch people sing and dance and pick out the most talented ones. It was hilarious, actually – we laughed for two hours straight!

How on earth did all that come about?
It's kind of supposed to be like a *Britain's Got Talent* type thing celebrating old-school variety. So we had a real mixed bag – drag queens, dancers, singers, fire-breathers, all sorts!

Amazing! Did you decide who was going to be the "Simon Cowell" character?
Er, yeah, I think that ended up being Helen. Nah, to be fair, most of them were alright. There was this one guy who just came on and started blowing through this massive tube. That was a bit weird. ►

GEORGIA SALPA

Is Helen Flanagan as brilliantly bonkers as she seems?
Yes, of course! She's a really, really nice girl. But, yeah, she's completely bonkers. We had loads in common.

***Celebrity Big Brother*'s back on telly this week. What was your happiest memory from it?**
Leaving the house. Ha-ha! I didn't enjoy it too much, to be honest. I mean, we had the parties afterwards and everything. I enjoyed those!

Who would be the least likely of those contestants to come to dinner at your house?
Ha-ha! Er, well, I don't really see anyone from the show.

That's a shame! What would you have cooked for them?
I'm not the best cook, so probably something easy like pasta or fish. I think I'd probably just get a takeaway.

Nice! So what appeals to you more – a wild night on the town or a quiet night in?
I like going out with all my friends. Then again, I also just like sitting in watching TV. Can't I do a bit of both? Ha-ha!

Did you happen to catch any *I'm A Celebrity…* last year?
Yeah. It wouldn't be something I'd be able to do, but I love watching it. Joey Essex was funny. He's a friend of mine so it was good to see him on it.

Would you go in it this year if they offered you that sexy shower girl role?
I'd be terrible and I wouldn't do anything. I'd be like Helen – just crying. Plus, I hate rats!

Fair enough! Can you give us any fashion tips?
No cross-neck T-shirts and no skinny jeans!

Thanks, Georgia! Finally, you speak Greek. Can you teach us a good rude word?
Malaka. It means w*nker. ✖

THE RULES are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

Will *Celebrity Juice* fans be pleasantly surprised or annoyed when they tune in to find your new ITV2 show *Fake Reaction* on instead?

If you like silly panel shows, you'll like our show. A show that's a bit like *Celebrity Juice* is better than a repeat of an episode of *TOWIE* from four years ago. So they should be grateful and delighted. *Fake Reaction* is quite different anyway. *Celebrity Juice* is very much the Keith Lemon show. *Fake Reaction*'s more about the gameplay. It's a bit like a Victorian parlour game.

You have a young face, but an old voice. Does this mean you have to order your drinks at the pub over the phone?

Yes, I do. If you close your eyes, I sound like Jon Bentley, the elderly presenter of *The Gadget Show* [He's only 52! – Ed]. Listeners to Radio 1 must think that they've abandoned their policy of attracting younger listeners by hiring a man on the verge of death.

Did they have to cancel T4 because none of the presenters could be arsed to get out of bed?

They actually cancelled T4 because they thought, in this digital age, they didn't need it when they had E4. They also spent so much money on Nick Grimshaw's hair products that they went bankrupt.

Does fellow Radio 1 DJ Jameela Jamil smell as good as she looks?

Yes. She smells of chicken, as that's all she eats: fried, roasted, poached, all the varieties. She's delicious in every sensory way.

Did you have to duel Vernon Kay to steal his Radio 1 weekend show?

No – he'd have destroyed me. Vernon wanted the weekends off, there was a Vernon Kay-shaped hole to fill, and I came in three feet short.

Do you ever get worried that burglars know where you are from 10am to 1pm every Saturday and Sunday morning?

Maybe I should pretend I'm broadcasting from my house. "Oh, don't mind that, that's the kettle boiling. Here's Rudimental." It's OK. My wife's in on a Saturday morning, pretending to listen to my show but actually watching *Friends*.

Where's the most inappropriate place your dog Oscar likes to poo?

His favourite place to sh*t is outside Café Rouge near where I live. In the summer, there are people dining al fresco and he darts under their tables and curls one out.

You were in a video for Skepta's *Make Peace Not War*. Did he confuse you for someone else?

No. I've interviewed him many times and he's a lovely man. He called up and said, "Can you play my producer in my video?" which I thought sounded like fun.

You present a show called *Quiz In My Pants* on the internet. Where do you buy your pants?

I used to buy three pairs of pants for £10 from H&M thinking they looked good. Instead they looked like they cost three for £10. I've upgraded to a Calvin Klein pant. On the show, I use a slightly larger pair of chequered pants to hide any staining. I reckon they'll be doing it on *Newsnight* next. They love a gimmick on *Newsnight*. "Get the Cookie Monster on!" "Paxman, grow a beard!" It wouldn't surprise me if Paxman gets down to his pants. I can give him some tips if he likes. ▸

INTERVIEW: RICH PELLEY PHOTOS: COLIN WILLIAMS

"Nope, I still can't see a face in this pattern"

You got married recently. Did you read your vows out like a radio broadcast?

No, I didn't. They get read to you and you repeat them, so you have to concentrate on not f**king them up. If I was conducting a wedding, I'd throw in some tongue twisters to make things interesting.

"I shouldn't have had that last Jägerbomb"

FRIZZY-HAIRED DJ!

His makeshift fan needed work

If your hair were a chocolate bar, would it be a Walnut Whip?

A Walnut Whip's actually not bad. Or maybe a Curly Wurly, depending on whether I've just had it cut.

50 Funniest Blokes in the World!

You voted for cracking comics and amusing actors in your thousands. Take it away, gents!

AS VOTED BY YOU!

50 **ALAN CARR** *ENGLAND*

A top-notch talent who's gone from up-and-coming stand-up to national treasure in the space of a few years.

TOP GAG: "My nan bought a new widescreen TV – the people on there are bigger than her! The council thought she was sub-letting to Poirot!"

49 **RUSSELL KANE** *ENGLAND*

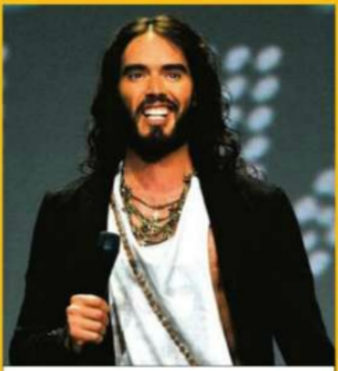
In at 49, here's a very funny man who's brought much mirth to *Nuts* in recent years, and even hosted our awards bash back in 2012.

TOP GAG: "Richard Branson's opinions are ahead of their time – unlike his trains!"

48 **JEREMY CLARKSON** *ENGLAND*

We love Clarkson's stupendous sarcasm and constant ribbing of fellow *Top Gear* berks.

TOP GAG: "If all the creatures on Earth were the same size, it's said a lobster would have the smallest brain. Then someone invented Wayne Rooney."



47 **RUSSELL BRAND** *ENGLAND*

The LOL-mongering Lothario got a bit political in 2013, but has made up for it by releasing another cracking stand-up routine.

TOP GAG: "No wonder Bob Geldof is such an expert on famine. He's been feeding off *I Don't Like Mondays* for 30 years!"

46 **ADAM HILLS** *AUSTRALIA*

Mr Hills has done a sterling job of hosting Channel 4's *The Last Leg*, which is back for a new series this year. Happy days!

TOP GAG: "Going to Starbucks for coffee is like going to prison for sex. You know you'll get it, but it's going to be rough."

45 **MATT BERRY** *ENGLAND*

He's not that famous until you realise the rollcall of Matt Berry's cracking characters. We love him in *Toast Of London*.

TOP GAG: "My gran has told me that a martini is like a woman's breast. One isn't enough and three's too many!"

44 **SACHA BARON COHEN** *ENGLAND*

We have the star actor to thank for creating Ali G, Borat and Brüno. That's a brilliantly bonkers legacy to leave! Plus, he's in the new *Anchorman* movie.

TOP GAG: "Sex can lead to nasty things like herpes, gonorrhea, and something called relationships."

43 **JOSH WIDDICOMBE** *ENGLAND*

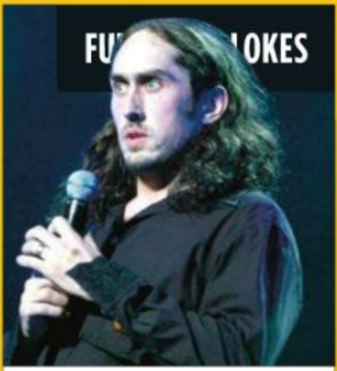
After making us chuckle on *The Last Leg*, the posh comic helped us bring down the curtain on 2013 by starring in our Review of the Year. Top bloke.

TOP GAG: "I hate people who call Andy Murray boring. Course he is. He plays tennis 50 weeks a year!"

42 **RICKY GERVAIS** *ENGLAND*

We respect this man for his humorous tweets, stand-up skits and David Brent!

TOP GAG: "The Golden Globes are to the Oscars what Kim Kardashian is to Kate Middleton – a bit louder, a bit trashier, a bit drunker and more easily bought!"



41 **ROSS NOBLE** *ENGLAND*

We file this north-east comic under the column marked "a bit bonkers". His routines are always a bit on the, er, daft side!

TOP GAG: "I have a brilliant idea. It's for a Chinese cooking pan that connects to the Internet. It's called the e-wok!"

40 **SIMON BRODKIN** *ENGLAND*

AKA Lee Nelson or, more recently, Jason Bent. A funny bloke, and firm friend of *Nuts*!

TOP GAG: [As Lee Nelson] "I started so many fights at my school - I had that attention-deficit disorder. So I didn't finish a lot of them."

39 **PHILL JUPITUS** *ENGLAND*

The music-loving chap used to work at the Job Centre before he quit to become a comic. He's why we still watch *Buzzcocks*!

TOP GAG: "My wife said she didn't want our daughter losing her virginity against a skip. I told her, 'It was good enough for us!'"

38 **HARRY HILL** *ENGLAND*

We were chuffed to see the *TV Burp* legend finish 2013 with a new film. It's silly, but that's just what the doctor ordered. Coincidentally, he used to be one!

TOP GAG: "I donated a scanner to the local hospital. But it can also be used as a printer!"

37 **JOE WILKINSON** *ENGLAND*

This curious-looking comic has clearly made a lasting impression on you with his funny *8 Out Of 10 Cats* appearances.

TOP GAG: "Here's first-date conversation idea 16: ways of making your wee the colour of Lucozade."

36 **CHRIS ROCK** *USA*

Lately, we've seen him in more fluffy Hollywood flicks than near-the-knuckle stand-up routines, but he's still ace.

TOP GAG: "Men lie the most but women tell the biggest lies. A man will say, 'I was at Kevin's.' A woman will say, 'It's your baby!'"

35 **MILTON JONES** *ENGLAND*

Sometimes he won't say anything for ages on *Mock The Week*, then just come out with an insanely brilliant one-liner. Very clever, very bonkers, very funny!

TOP GAG: "Just put a tomahawk in the fridge. Not sure I get this whole 'chill axe' thing."

34 **NICK FROST** *ENGLAND*

Mr Frost is one of the funniest comedy actors of recent years. With a film out soon and a new Sky series, expect a big 2014.

TOP GAG: "I don't think I've ever disposed of a pair of dirty socks in the basket without first pulling out an imaginary pin..."

33 **ROB BRYDON** *WALES*

Awesome actor, stand-up and panel-show legend. Top work, Mr Brydon!

TOP GAG: "My wife wants kids, but I don't know if I can do it again. The lifting, the carrying, the mopping up – and that's just when we're trying!" ▶

32

STEVE CARELL

USA

Hollywood legends can take themselves too seriously but it's never been the case when we've met Carell. We love lamp!

TOP GAG: "First order of business – I will not be doing any 'that's what she said' jokes. It's just too hard for me..."

31

STEWART FRANCIS

CANADA

The panel show fave's one-liners are brilliant, and his joke below was voted the funniest gag of Edinburgh's world-famous comedy festival in 2012!

TOP GAG: "You know who really gives kids a bad name? Posh and Becks."

30

FRANK SKINNER

ENGLAND

The prime-time TV staple still cracks us up.

TOP GAG: "Like a rainbow, the Tory government looks good from a distance, but on close inspection it has no real substance, you can see right through it and it's only there because of the sun."

29

MICHAEL McINTYRE

ENGLAND

The head-wobbling funnyman is perhaps Britain's richest comic. His last tour – Showtime – made a whopping £21million. Lend us a tenner, Mike!

TOP GAG: "A good book is a 'page turner'. Surely that's the minimum you expect from any book!"

28

STEPHEN FRY

ENGLAND

The nation's uncle is one of the wittiest blokes on the box, and we learn almost as much as we laugh whenever we watch him bringing it all together on *QI*.

TOP GAG: "It's a very sad truth that six out of seven dwarfs aren't happy!"

27

CHARLIE BROOKER

ENGLAND

Charlie's smart, satirical swipes at the news have made him one of Britain's funnest chaps.

TOP GAG: [On Parliament] "I haven't seen so many dirty snouts and slimy arseholes crammed into such a small space since I looked inside a sausage."

26

RUSSELL HOWARD

ENGLAND

We predicted you lot would rate this West Country comic highly, and we were right. He's currently working on new stand-up material for this year. Watch this space!

TOP GAG: "Dappy from N-Dubz is like the ASBO version of Noddy."

25

GREG DAVIES

WALES

The giant of comedy impressed us not only by being funny, but also by being one of the nicest blokes we've ever met.

TOP GAG: "Do you know what happens when you get past 42? You walk past a nightclub and no one offers you a flyer!"

24

SIMON PEGG

ENGLAND

Pegg's various movie and TV babies are true assets to comedy. Plus he invented the Ladyboy drink from *Alan Partridge*!

TOP GAG: [In *The World's End*] "A man of your legendary prowess drinking fking rain? It's like a lion eating hummus."**

23

AL MURRAY

ENGLAND

We sometimes get confused as to where Al Murray stops and his barmy landord creation begins. Either way, he's ace!

TOP GAG: "If we had no rules, where would we be? France! If we had too many rules, where would we be? Germany!"

22

JACK WHITEHALL

ENGLAND

Just when you thought you'd seen enough of his mug, here he is again storming up your poll. Have a rest, Jack!

TOP GAG: "I bought one of those anti-bullying wristbands. I say 'bought' – I actually stole it off a short, fat, ginger kid."

21

JASON MANFORD

ENGLAND

He may be a megastar stand-up now, but the Manc mirth-monger still finds the time to give top interviews to *Nuts* in which he's always side-splittingly funny.

TOP GAG: "The weather in Manchester is like the Muslims in Iraq. It's either Sunni or Shiite!"

20

KEVIN BRIDGES

SCOTLAND

This young Glasgow lad's cracking observational comedy is a real favourite around these parts. He's still only 27, but already a comedy legend.

TOP GAG: "I saw a sign that said, 'Have you seen this man?' So I phoned up and I said, 'No.'"

19

JOHN BISHOP

ENGLAND

He's the sort of comic you can watch with your mum but he'll still tickle your funnybones!

TOP GAG: "'It must be cool having a dad who's a comedian,' I overheard one of my son's friends say. 'Nope,' came my son's reply. 'He's a knob.'"

18

REGINALD D HUNTER

USA

The silky-smooth Yank told *Nuts* he's not as popular in the US as he is over here. Their loss!

TOP GAG: "Blasphemy is the notion that there's a supernatural being who can make oceans and mountains – but can still be offended by something I say!"

17

ALAN DAVIES

ENGLAND

Who'd have thought the odd chap from *Jonathan Creek* would have gone on to be Stephen Fry's *QI* jester? Davies is truly a proper good bloke, and a real laugh, too!

TOP GAG: "What's red and sits in a corner? A naughty strawberry!"

16

TIM VINE

ENGLAND

When it comes to hilarious puns and one-liners, this is one bloke who churns them out like some sort of merrymaking machine! We'd love to get stuck with him in a lift!

TOP GAG: "Conjunctivitis.com – now that's a site for sore eyes!"

15

JON RICHARDSON

ENGLAND

Clearly the rise of panel shows have influenced you lot, as you've placed Jon within touching distance of the top ten funnymen.

TOP GAG: "I was going to go to the snooker final but couldn't see any free baize in the car park and there were long cues!"

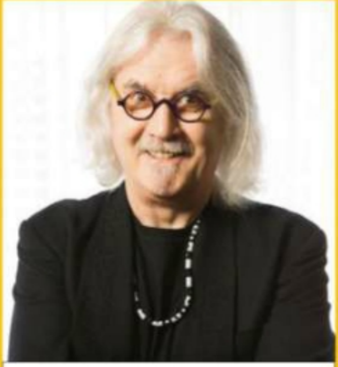
14

HUGH DENNIS

ENGLAND

We all love *Mock The Week*, but it's made extra funny by Hugh's incredible improvised routines. We're always in stitches!

TOP GAG: "Swimming the Thames is a lot like politics. You start at Oxford and if you swallow enough sh*t, you end up at Westminster!"



13

BILLY CONNOLLY

SCOTLAND

He's possibly the longest-serving comic in our run-down but, like an old uncle at Christmas, that doesn't stop you lot finding him flaming funny.

TOP GAG: "So, have you heard about the oyster who went to a disco and pulled a mussel?"

12

MICKY FLANAGAN

ENGLAND

Yet another relatively recent comic who's been all over our telly screens, whether it's a top panel programme or one of his cracking stand-up shows.

TOP GAG: "I've worked out what an ambience is - it's a night out without poor people!"

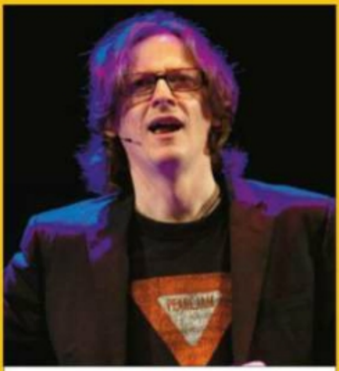
11

DAVID MITCHELL

ENGLAND

Peep Show was ten years old in 2013, and it introduced us to one of the best comics ever!

TOP GAG: "It's heartening that, in these troubled times, the most popular article on the BBC news website is 'Hedgehog trapped in crisp packet.'"



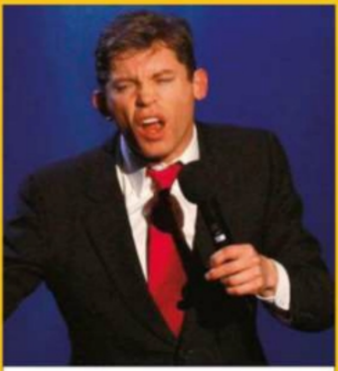
10

ED BYRNE

IRELAND

Ed's recent Roaring Forties tour is old-school hilarious. Here he is kicking off your top ten!

TOP GAG: "My problem with the Grand Canyon is Americans are too proud of it. It was like that when they found it! And it's not hard to find!"



9

LEE EVANS

ENGLAND

Being one of the world's hardest-working funnymen, the sweaty comic's touring the UK in 2014, and we can't wait!

TOP GAG: "I slept really well last night, I slept like a baby: I p*ssed the bed four times and woke up crying five!"

▶

8 JACK DEE

ENGLAND

The trademark grumpy comic has been taking a break for the last five years… but now he's back on tour again. The old ones are the best – no offence, Jack!

TOP GAG: "I hate people who think it's clever to take drugs… like customs officers!"

7 CHRIS O'DOWD

IRELAND

Star of *The IT Crowd* and, more recently, a bit of a Hollywood star, this top Irish funnyman always makes us chuckle whatever he turns his hand to!

TOP GAG: "I went to the dentist. My teeth aren't sore, I just fancied a pint of that yummy pink water!"

6 RICHARD AYOADE

ENGLAND

Blimey, you lot love *The IT Crowd* – that's two stars in a row! An actor, writer and brill director.

TOP GAG: "Put mustard on those words, for you will be consuming them with this slice of humble pie that comes direct from the oven of shame!"

5 LEE MACK

ENGLAND

His Friday night staple *Not Going Out* has always been a top reason to, er, not go out! Lee's also great at observational comedy.

TOP GAG: "I remember the last thing my nan said to me before she died: 'What are you doing here with that hammer?'"

4 BILL BAILEY

ENGLAND

Bill's hilarious, bonkers, super-talented and has an ace beard to top it off!

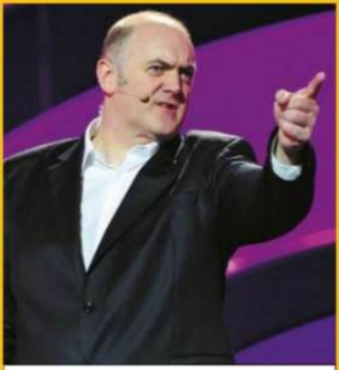
TOP GAG: "I pitched a show idea to the BBC. 'Good evening and welcome to *Rhetorical Question Time*… or is it?' Suffice to say, they didn't go with it."

3 FRANKIE BOYLE

SCOTLAND

The most controversial comic in your top 50, the sharp-tongued Scot is more prolific on Twitter than on telly these days.

TOP GAG: "Saying you're an international footballer for Scotland is like being voted most handsome man in the burns unit!"



2 DARA Ó BRIAIN

IRELAND

A seriously witty chap, you've crowned the *Mock The Week* star your rib-tickling runner-up!

TOP GAG: "My iPod holds 3,000 albums. I own 90. It sits at home frustrated and underused – like a wife who gave up her career and the kids turned out to be shite."

1 JIMMY CARR

ENGLAND

After nine tours and over ten years of merrymaking, Jimmy's become one of Britain's most successful comics, has bagged pretty much every comedy award going, and is a multimillionaire. The side-splitting superstar has won also won a *Nuts* award four years on the trot! Now you've officially declared him your funniest bloke in the world – not bad for a bloke from Slough!

Hello Jimmy! Congrats on being crowned the World's Funniest Bloke. Over 4,000 *Nuts* readers voted for you!

Wow, that just goes to show how unreliable online polls are. It's testament to the inaccuracy of the internet.

What's your secret to success?

Reading the Bible for four hours a day.

Would you have voted for yourself, or for your mate Frankie Boyle?

Frankie's a friend and very funny. I'd have clicked on him once and myself several thousand times, as you can see from the results.

You've released eight stand-up DVDs but never a fitness one…

I'm thinking about doing a fitness DVD called *Put That Down, Fatty*. It's quite short. The only exercise you need is how to put down food – how to put down pizza and burgers. It's naturally going to be a huge seller.

Are you the hardest-working bloke in comedy?

It's always busy but it never feels particularly like work. You never find me p*ssing and moaning about telling jokes.

Are you the most plagiarised comic on Twitter?

I think my jokes work quite well on Twitter. It's actually very flattering when someone comes up after a show and tells you a joke from a previous DVD and says, "You'll like this." I go, "Yeah, that's my joke, I wrote that!"

Nice one! Finally, we'd like you to tell us your favourite Jimmy Carr gag. Take it away, Jimmy!

I'll tell you what I know about dwarfs. Very little.

- *Jimmy Carr: Laughing And Joking* is out now on DVD.

"If I were the boss of *Nuts*, we'd all have shots and doughnuts!"

Rosie Jones

Hello Rosie! Happy New Year! So... Four fit girls in an empty office. Are you feeling a bit cheeky?
It's amazing! It's such a huge building but with it being empty, it's like the world has ended. I was half expecting zombies to run up the stairs!

What's the funniest job you've ever had?
I worked at a rugby club for quite a long time. Lots of men throwing up and drinking each other's wee. Nice!

Do you ever drink at work?
In this job, that's basically what we do! I went on a shoot recently in Tenerife. We all went out on the town and India Reynolds was passed out by about 3pm. She fell asleep in a bar, so we covered her head to foot in stickers! I've also seen Holly Peers down a bottle of champagne because we needed it empty for a shoot.

Has anything embarrassing ever happened to you at work?
This shoot! Half this office overlooks some flats, so we had a man pretending to vacuum the same bit of carpet for about an hour and some builders on the other side.

Would you ever be tempted to use your boobs to get ahead in an office environment?
No! I'm hopeless – I'm too embarrassed. If anyone approaches me, I always pretend to be a dentist.

What rule would you introduce if you were the *Nuts* boss?
No one works Fridays, two-hour lunch breaks and dancers – male and female for equal opportunities. Everyone gets a Krispy Kreme and a shot on arrival each day – extra points if you down the shot through the doughnut hole. The mag would probably close within a month, though, wouldn't it? ►

"If anyone approaches me, I tell them I'm a dentist!"

“I’d crack the whip as your boss. No milking your breaks!”

Sabine Jemeljanova

Hello Sabine! Given the choice, what part of your body would you most like to photocopy?
Bum! I need to photocopy my bum. I do love bums more than boobs. I'd also like to do my feet. To stand on it and see how my toes look.

What would it take for you to fancy a colleague?
I like very serious men. I don't like someone too jokey. I want to be hypnotised by their eyes. He needs to be confident with a little smile.

What's a sackable offence in your book?
If a guy is rude or puts his finger up his nose! I also can't do shy men, tracksuits or sneakers. But as long as we get on amazingly, I just don't care what he does for a living.

Who would be your ideal celebrity boss?
Alan Sugar. I love his finger! I like it when he sits there looking all cross and just fires people. He can be my boss if he doesn't give me the finger.

Cor blimey, Lord Sugar! What kind of boss would you be?
I'm really serious. I'm even strict with pets and kids! People always say when they meet me, "Why is Sabine so cross?" I'd be fun outside of the office but crack the whip at work. If you have a 20-minute tea break, you're out! No milking your breaks.

What would you wear at work if you could?
I'd wear my onesie.

Do women ever still wear stockings to work?
My mum does. She's always in hold-ups. She's pretty hot. People think she's my sister. It's quite freaky. ▶

> **"I love Alan Sugar's finger!"**

"I'd like to draw a smiley face round my nipple and photocopy it!"

Melissa Debling

Hey Melissa! We're all back to work soon, but what's the weirdest job you've ever had?
I used to work in a fish-and-chip shop when I was younger. I used to stink!

What are you like outside work?
I'm always getting the shots in. I used to do tequila but now I'm not allowed – I get a bit, um, emotional. Now I stick to Jäger. I still get in lots of trouble, though.

How good are you at skiving?
I used to work as a receptionist for a while and fall asleep at my desk. Girls get away with murder – I used to just say, "I'm going to the loo," and disappear for about an hour!

Have you ever been fired?
I actually started modelling because I got fired. I was doing telesales for a company that flogged the ink for franking machines. I was rubbish at it so they sacked me. My mate said, "Mel, I think it's time you sent your pictures into *Nuts*!"

Are you prone to office pranks?
I'd like to draw a smiley face around my nipple and photocopy it. But it's not as easy as people think – some photocopiers are really high!

Apart from today, what is your sexiest work attire?
I'm actually pretty good most days. I usually wear stockings – especially on nights out. If you pull and you have tights on, they aren't very sexy, are they? I keep this in mind.

How would a chap go about impressing you?
Flirt with me and then make me a cup of tea – that'd work. Then be really cheeky and say something like, "I take two sugars by the way," so I'd have to make you one back! ►

> "I used to skive off when I worked in a supermarket!"

Joey Fisher

Hello Joey! How much fun has it been to be an office babe for the day?
It was great, but we got caught! A builder came to check something out – I'm sure he just found some excuse – and I was stood there in my pants with my hands covering my boobs. He was like, "You'll catch a chill!" Then Sabine just walked out of the lift in her pants and a bra. Ha!

We bet he loved it! Have you ever got into trouble at work?
I worked at a supermarket and people were always skiving and getting fired. If it got busy you'd just go, "Price check!" and walk off to pretend to get something and not come back!

Nice! What are your top tips for skiving at work?
I used to skive school in Builth, in Wales where I grew up. The only thing is, you have about six hours to kill and it gets really boring being stood outside in the cold all day. Stay in school, kids! Ha-ha!

We have to ask: have you ever photocopied your boobs?
No, but I'd absolutely love to! I could make a wallpaper, but that might be a bit much mightn't it? It might look like lots of pairs of eyes.

Would you always insist on wearing sexy underwear to an office job?
Totally. I love wearing thongs. I'm never in anything else but thongs, I find them really comfortable. Girl pants are so much sexier and more comfortable than man pants.

Finally then, what kind of boss would you be?
I'd have a big room at the side of the office where people would have to knock. "Come back later!" I'd shout. Unless they have something to eat or a cup of tea for me... ✖

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

This slow-burning penultimate episode of the series is a nice change of pace before a belting finale next week. Chalky takes Daughter to the home of his mentor Oscar Boneau while Gaston Means tells Nucky there's a mole in his operation.

FA Cup Football

BT SPORT 1/HD • 1.30pm

A tasty FA Cup double-whammy to help us while away the first Sunday afternoon of the New Year. First up, Derby County probably don't give much of a stuff whether or not they beat Chelsea, seeing as they're chasing promotion. Then Swansea travel to Old Trafford to see if they can further ruin Man United's season.

Criminal Minds

SKY LIVING/HD • 9pm

It may not be in the same league as, say, *Elementary*, but this crime drama's still worth a look. The new series starts with a bloody beginning and an ace puzzle for the FBI to solve. SKY ATLANTIC/HD • 10.15pm

It's another evening of comedians being asked to do stand-up without actually knowing what they're going to be talking about. It's funny, but there's a touch of *Mock The Week* about it in that you can't help but think it's all a bit pre-arranged...

And a real girl to answer them!

Zoe

22 Doncaster

1 Where's the strangest place you've had sex?
"On holiday a few years ago, my ex and I decided to go out one night and spontaneously had sex on the beach over a bench!"

2 What's your trademark move in the bedroom?
"Guys always think I look cute and innocent but their opinion of me soon changes when I'm in the bedroom! I love getting the guy excited before sex. I like to take control by getting on top. That always seems to get them going."

3 What really turns you on?
"I really love a confident guy who's not afraid to take control. It turns me on when guys know what they're doing and know how to please me."

4 What's your favourite position?
"I really love being on top. I know what gets me going!"

5 Is it better to give or receive?
"I love foreplay. If you don't, it's not being done right!"

6 Ever got it on with another girl?
"Yes! When I go out for a drink with the girls, we always have a laugh and a cheeky kiss and a flirt. It's all harmless fun."

7 What's your sexy outfit of choice?
"Hmm, there are so many to choose from. I like something you can have a lot of fun with. Probably a sexy policewoman's outfit. Guys love being told how bad they've been, plus you've got handcuffs – I'm sure they'd come in handy!"

8 Have you ever made a sex tape?
"No, I've yet to make a sex tape. It's something that I'll do when the right person comes along, though. I can imagine it's a big turn-on making it, and watching it back would be pretty hot!"

PHOTOS: GIRL SOHO/MATRIXSTUDIOS.CO.UK

9 What's your rude New Year's resolution?

"To meet a really hot guy who can fulfill my sexual fantasies and bring a little excitement and fun into the bedroom!"

10 What's the rudest thing you've done?

"After a night out, me and my ex got a little bit frisky in the back of the taxi on the way home. I bet the driver never forgot that one!"

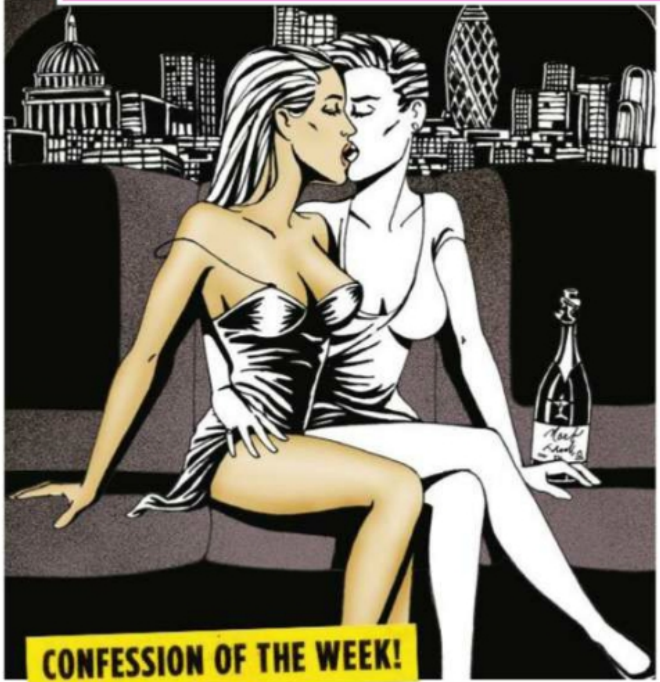
LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

'My fantasy came true'

LAST NEW Year's Eve, I went into town with the girls. After a bottle of wine and a good number of shots, I was ready for bed. My friend decided to come with me. It was freezing so we thought we'd warm up by cuddling. To pass the time, we began talking about our fantasies. One of hers was to be with another woman and I began to get excited. We finally hailed a taxi and I felt her hand slide up my thigh as we snuggled in the cab. She then pulled my knickers to one side and began to pleasure me. I climaxed on the back seat!

Natalie Essex

'We did it in an alley'

MY FELLA and I had been busy with family over Christmas, so we decided to have a bit of "us" time and go out to dinner for a treat. I was feeling extra horny and wanted to tease him, so I wore a sleek black dress with no underwear and stockings. He couldn't keep his hands off me! On the walk home, we just couldn't stop laughing as he kept chasing me and fooling around. Eventually we couldn't take it any more. He pulled me into a quiet alley, knelt down and lifted my dress. Putting his warm tongue inside me sent a rush of excitement through my body. I put my hand down his pants, feeling his member. We rushed home to carry on our fun in the warmth. We soon forgot all our Christmas stress!

Charlotte St Albans

'All play and no work'

I'VE FANCIED my boss for ages, but didn't know if he felt the same until the Christmas work night out. On the dancefloor, I shook my hips and flicked my hair. I could feel him getting close to me until he was grinding against me. I could feel his d*ck rubbing against me and couldn't wait to get my hands on it. I went to the bathroom, knowing he'd follow me. In the cubicle, I was so excited, I could feel my chest pumping. He looked me in the eyes and kissed me deeply. As his hands wandered up my stockings, I unbuttoned his trousers and took his full length into my mouth. It wasn't long before he climaxed. We met up later for a full night of passion!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'I read for pleasure'

MY BOYFRIEND'S family live a good few hours away so we always share the driving when we visit them. On the drive down, instead of listening to rubbish Christmas songs on the radio, my boyfriend had brought a few copies of *Nuts* in the car to keep him occupied. When it was my turn for a rest, I started to have a flick through the Christmas issue. Looking at the gorgeous girls in their saucy undies made me very wet and I began to touch myself. Rubbing myself while looking at their breasts, I started to think about the girls naked together and me joining in. It got a bit too much and I came. My boyfriend didn't even noticed what I was doing which made my dirty Christmas secret that little bit naughtier!

EXCLUSIVE!

FA CUP SPECIAL!

Darren Anderton: 'AVB can be forgotten!'

The Spurs and England legend says, "Yes, Spurs really *can* beat the Gooners!"

TO THE untrained eye, the imminent FA Cup clash between league leaders Arsenal and a wobbly Spurs under new management looks like a no-brainer. Allow 12-year Spurs veteran and winner of 30 England caps Darren Anderton to tell you otherwise...

Hi Darren! You obviously join us at the start of a new era for Spurs. Are they a bit all over the place right now?
I think Spurs will have had their next man in mind when they sacked Andre Villas-Boas, although obviously a 5-0 home defeat has a habit of hastening such decisions. I know the hierarchy have thought very highly of Tim Sherwood and Les Ferdinand for a while, so the fact they were there perhaps made the decision a bit more comfortable. I think most people in and around the club are impressed with Tim's coaching so they figured why not? He reads the game very well, was always willing to put his point across, and was a good captain and a good man.

Do managerial changes often have a galvanising effect in big games like these?
Actually, that's exactly what it usually does. A footballer wants to play, so you make sure that when you train, you train hard, and when you play, you play to stay in the team. So you get that extra graft, those better performances. A few good results in games like the Arsenal game and I'm afraid Villas-Boas will be quickly forgotten. That's the way football is. All the players who were out of favour under AVB now have a clean slate and a way into the team.

Neither side's going to put out a traditional early-round weakened side, are they?
They both have top-class squads anyway, so they can make changes, but there's no way either team's going to give up this game – they're going to put out teams to win. It's a North London derby in the Cup – form, league positions, all that's out the window.

What are the main Arsenal weaknesses Spurs can exploit?
Well, we all know how great they are in midfield, and how they've improved at the back. The bottom line is, if you're going to beat Arsenal you have to test them defensively, and I don't think that anybody has done that this season – apart from Manchester City. But what they did is show what can happen if you get at them.

There are some who say that, in terms of quality in depth, Spurs are second only to Man City.
Yeah, they have a great squad. My only problem with it is that it's very samey-samey in a lot of positions – central midfield, on the wing, in the hole. But we need cover at centre-back and a couple more strikers.

Ah, yes. Strikers. What exactly is going wrong for them when it comes to goals?
They've just been too negative. The general consensus when it comes to AVB is, "Good position in the league, pretty damn dull to watch." Spurs teams always try to entertain and win games, create chances and be good to watch, but this season, they just haven't been good to watch, because they don't have a Modric or a Bale to unlock defences. But they have good enough players.

Who would be your automatic starters for the Arsenal game and how would you play it?
Paulinho has done very well. I like Sandro and Dembele in the middle of the park. They're really missing Kaboul at the back. I'd like to see two wingers, so that might mean Sandro and Townsend or Lennon. I'd stick with Soldado and maybe play Defoe with him. Then I'd just get at them. Yes, you can be defensive to a point, but you have to get at them and close them down in midfield. You have to have a couple of players in the middle who'll do that, but you have to have a goal threat. In the league earlier in the season, Spurs did OK but we didn't threaten their goal and they wore us down.

Thanks, Darren! Finally, can we pressure you into a prediction for a scoreline?
Oh Jeez! Ah, why not? OK, I think that Tottenham Hotspur are going to win two goals to one, and the key men will be Paulinho, Roberto Soldado and Moussa Dembele. There!

North London derby facts!

The big rivalry in numbers!

- **The current record holder for goals scored in the North London derby plays for Spurs – however, eight of Emmanuel Adebayor's ten goals came for Arsenal against Spurs.**
- The teams' FA Cup record against each other is three wins to Arsenal, two to Spurs. Three of those meetings were in the semi-final.
- **Their overall record against each other in all competitions is 75 wins to Arsenal, 54 to Spurs and 47 draws.**
- Spurs' total summer transfer spend was £107.25m. Arsenal's was £44.8m, but £44m of that was on Mesut Özil.
- **Spurs are the last of the pair to manage an away victory in the derby, winning 3-2 in 2010.**
- Two of the last four derbies have ended as 5-2 to Arsenal.
- **When Arsene Wenger took up the reins at Arsenal, Andre Villas-Boas was 18 years old.**

Mata: 'I lost count of my goals!'

FA CUP SPECIAL!

The Chelsea genius opens up about Nando Torres' bad dancing!

Hi Juan! Your goals and assists total [20 and 25 respectively] last season was insane. But which do you prefer, a decent goal or a fantastic assist?
Ha-ha! OK, in football there's nothing like the feeling of scoring a goal, but I love assisting my team-mates. My main job is not to score goals, it's to assist them, but if you can score, my advice is do it!

Did you ever lose count?
Er, yeah, actually! More or less, I knew but never exactly. It meant I had to go back and keep checking.

After last season, is it hard not being in the team as much?
I just try performing well and focusing on the positives. I believe in even the hardest moments you can find something positive. I'll just keep doing what I've done over the last two seasons.

Has Jose Mourinho spoken to you about the reasons for your limited chances?
Nope, nothing.

What's he like to work with?
It's too early to make a judgment. Every manager has their own ways to work and their own understanding of football. I think Jose's a manager who likes to get on top of the players, pressing us in a way that means we're mentally prepared for games.

Who is the most skillful player on the training pitch?
[Juan looks at *Nuts* man in absolute shock] What, you mean it isn't me? Ha-ha! OK, apart from me, perhaps Hazard – he's good!

Fernando Torres has found his shooting boots again. What's changed?
Nothing really, now he's got this happiness and confidence to play. For a striker, goals only breed confidence. Every time he scores he gets better.

Is everyone at Chelsea happy with first half of the season?
I think we are. In the beginning we had some bad results. The first five or six games weren't easy, but now we're in a good position.

Can you win the league?
We'll try, but I'd rather stay calm. It's too early to think about the title. There are five or six teams with the same aim, but I think we can do it.

What would you prefer, the Champions League or the Premier League?
Who do you like more, your dad or your mum?

Our mum, obviously!
Ha-ha! As I've won the Champions League it would be very special for me to win the Premier League.

How do you keep your beard looking so sharp?
It's not about style, it's because I'm lazy! I just give it a trim once or twice a week when I start to get an little itch. I never shave 100 per cent – I just give it a trim.

Who are your toughest opponents in the league?
It's difficult to play against Man City – they keep the ball and you have to run around a lot. In terms of defenders, Nemanja Vidic is very strong. I think Jan Vertonghen is very good as well. We have good defenders in this league. Leighton Baines is another one I like.

Plenty of kids have Mata on the back of their Chelsea shirts. Who would you get on the back of your own shirt?
I'd go for one of those old-fashioned retro shirts and I'd have Zola on the back. I like old shirts and he was great.

What music are you listening to on the way to training?
At the moment, the Arctic Monkeys' new album. I like their new album. They played in London a while back but I couldn't get to see them.

Who's got the worst musical taste at Chelsea?
Sometimes I sit next to Fernando and he has this weird music on, like really old stuff. I'm not sure I could even explain it in English, other than that it's mostly rubbish. He put it on for the whole changing room once – never again! You should see him dance, he doesn't know how. He's only got one move.

Is he the one to watch at the Christmas party then?
Yeah! But he'd run away – he hates the attention!

BLACKBURN VS MAN CITY *4 JANUARY*

"People talk about City's away form, but their second team went to Bayern Munich and won! They still look vulnerable defensively but I think they'll have enough. But Blackburn have dangerous players, like Jordan Rhodes and Rudy Gestede, who could hurt you."

Rating: 🍌🍌

MIDDLESBROUGH VS HULL *4 JANUARY*

"Boro's home form isn't great, so in that sense, this would be a real upset. I've liked what I've seen of Hull and they should be too strong, but they just might bring in a few fringe players. There are possibilities here if the crowd get going."

Rating: 🍌🍌🍌

SUNDERLAND VS CARLISLE *4 JANUARY*

"Much will depend on whether Carlisle's loan players are allowed to play – Tom Lawrence from Man United is a wonderful talent. They'll take heart from Sunderland having to come from 2-0 down at home to MK Dons in the Capital One Cup earlier this season."

Rating: 🍌🍌

DERBY VS CHELSEA *5 JANUARY*

"At one point earlier this season, Derby were up there with Bayern Munich and Olympiakos in terms of league form. Well, if you're going to get an upset, you need the smaller team in good nick. And Chelsea nearly went out last season against Brentford."

Rating: 🍌🍌🍌🍌

LIVERPOOL VS OLDHAM *5 JANUARY*

"Liverpool face the team who put them out last season! Not this time though – I think Liverpool could very well win the league, and they don't have Europe or the Capital One to worry about. They can play their best side between now and the season's end. Sorry, Oldham!"

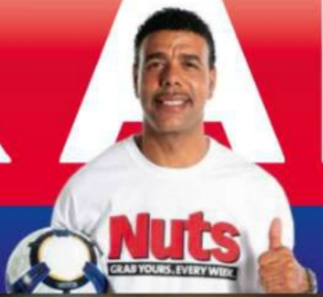
KAMMY!



He's the voice of the fans – and he's only in *Nuts*!

"Get my tailor on the phone – the sleeves on this are way too short!"

'Tis the season to be... sacked!

As the year turns, so the turnover of managers increases!

IT'S THE end of another year, the start of a new one, and we're at the halfway point of the season, which is why we're already into the heart of sacking season. I think a psychological bell rings inside the heads of chairmen when the halfway point comes and the team's not in the position they hoped it might be in – they look around at other managers being sacked and think, "Oh crikey – we don't want to get left behind, we'd better freshen it up too!"

Some sackings are understandable – AVB, for example. He'd just lost by six at Man City and then shipped another five at home to Liverpool after the board spent all the Bale money and then some on new players. Others, like Steve Clarke's, seem more harsh. But nothing surprises me in this game any more.

I'm lucky – there was never a time when I went into sacking season fearing that ominous knock on the door. I only ever benefited from it when I got the call to replace someone at Stoke. Of course, I was out of that door pretty sharpish!

Delroy Facey has been implicated in the match-fixing probe

Football's in good health... hopefully!

AS THE year ends, I like to look at the state football's in, and I think it's currently in good health. I hate people who diss football incessantly, although admittedly the English national set-up's been in the doldrums for a while.

But, one thing that surprises me is the possibility that match-fixing has made its way into English football because I always thought English football was incorruptible. I've been in those dressing rooms and nobody ever wanted to do anything but win.

They say that it only takes three players to decide the outcome of a game, but they certainly don't need the money in the Premier League any more! I don't believe it's happening. I hope I'm right.

The idea of playing with their eyes closed wasn't working

We've got La Liga to thank for all the goalfests!

THE GOALS have been flying in in the first half of the Premier League season, although at the time of writing, we haven't got as far as Portsmouth 7 Reading 4 from a few years back!

I think we can thank the Spanish La Liga for these amazing scorelines – there are more teams now leaving loads of space on the pitch to be exploited.

There are still plenty of tight games that end 0-0, but you see games like Man City vs Arsenal from a few weekends ago and it's a case of, "You have an attack! Now we'll have an attack! Now you have an attack!" all day long. It seems to be a case now of, "Entertain first, then we'll see if we can stop the goals second." Which I'm sure is fine by all of us!

I've got a new app out!

I'VE FINALLY joined the modern world and got a Kammy app through my friends at Ladbrokes, called Kammy's Kick Off.

Their clever technological types tell me it's the fastest way to bet on top football singles markets, with in-play betting on all kinds of markets in your favourite leagues and cups, score updates and all sorts of other good stuff. And I promise I won't appear naked in any of the ads!

Alan Pardew picks one anyway.

"I had a good view of the sending off but I couldn't see where it came from"
Kenny Jackett takes a dim view of a red card.

"If I boot Vidic in training, I retreat to the left wing where he can't find me"
Ryan Giggs plays chicken.

"Lewandowski has got a bit of everything. Not a bit of everything"
Graeme Souness loses it.

"John Terry and Frank Lampard aren't the commanding figures that they are"
Make your mind up, Phil Thompson.

OO-ER SOUNDS A BIT RUDE CORNER!
